

Rahn K. Bailey, M.D. DFAPA, ACP  
Forensic Bio

Rahn Kennedy Bailey, M.D., DFAPA, ACP, serves as Endowed Chair of Psychiatry and Assistant Dean of Community Engagement at LSU Health Sciences Center, New Orleans since June 1, 2021. Dr. Bailey's career has centered on community outreach, forensic psychiatric consulting, and health disparities research.

He received his medical degree from the University of Texas Medical Branch at Galveston in 1990. While in medical school, he received the Resident Research Award by the National Medical Association (NMA) for his work on Non-A Non-B Hepatitis ('88). He completed his residency training in psychiatry at the University of Texas at Houston in 1994. While in residency, he held the title of Chief Resident ('94). Next, he completed a fellowship in forensic psychiatry at Yale University in 1995.

Dr. Bailey served as the 113th President of the National Medical Association. As president, he spearheaded three mission trips to the African nation of Liberia. In 2016, Dr. Bailey begun his role as the Chairman of the Board of Trustees of the NMA Cobb Research Foundation Institute. From 2008 to 2014, he served as the Director of Elam Mental Health Center in Nashville, TN, and the Chairman of the Psychiatry Department at Meharry Medical College. While in North Carolina, Dr. Bailey was Chairman of the Psychiatry Department Wake Forest University School of Medicine & Executive Director of the Behavioral Health Service Line (2015-2018). He is a member of the American Psychiatric Association Board of Trustees (2019-present).

Throughout his career, Dr. Bailey has worked with underserved and marginalized populations. This is evident in his work with community programs and indigent populations throughout the U.S. and abroad. He has over 86 publications that address healthcare disparities. He has published three books; the first on Health Disparities in Aug 2013, then on Gun Violence in Aug 2018. Most recent, he wrote *At Gunpoint, Firearms Violence from a Psychiatrist's Perspective* in December 2020. In addition, he has four book chapters, has given 30 University Grand Rounds, over 100 joint hospital lecture series on topics including Treatment of MDD in African American Men, Risk Management Approaches to Contemporary Psychopharmacology, and Sexual Offender Forensic Assessments.

For his extensive work addressing health disparities, he has been funded by the National Institutes of Health (NIH), Substance Abuse and Mental Health Services Administration (SAMSHA), Area Health Education Centers (AHEC), Robert Wood Johnson Foundation (RWJF), and the Snyder Foundation. In 2011, he served as the chair of the Commission to End Health Disparities for the AMA. Along with advocacy and academic administration, Dr. Bailey has run a forensic psychiatric consulting practice for over 20 years. His articles on forensic psychiatry cover a range of topics: sexual violence prevention, risk management, juvenile justice, post-traumatic stress, gun violence, insanity defense, and interpersonal violence. He has served as Medical Director of the inpatient unit at Bryce State Forensic Hospital, Birmingham, AL and Lloyd C. Elam Mental Health Center, Meharry Medical College, Nashville, TN.

Dr. Bailey has maintained a 25 year career in Forensic Psychiatry as consultant. He as testified in over 100 legal cases. His qualifications include sexual offenders, NGRI competency and child custody cases.

Concerning advocacy, Dr. Bailey has served on a variety of Board of Trustees addressing education (Rutgers State University), Professional Organizations (NMA, APA, Cobb Institute, and AAPL), as well as sat on the Wake Forest Baptist Health Insurance Board for employee benefits.

Further, Dr. Bailey was elected as President of the National Medical Association in August 2011. He completed the three-year term as President Elect, President, and Immediate Past President. Most recently, he was elected to serve as the 2023-25 Chair of the APA Caucus on Global Mental Health and Psychiatry. The APA Caucus on Global Mental Health and Psychiatry focuses on global mental health education, research, and advocacy for improved mental health care for all through collaboration between health and mental health professionals.

**CURRICULUM VITAE**  
**Rahn Kennedy Bailey, M.D.**

**Current Title:** Kathleen & John Bricker, Chair  
Professor and Head  
Assistant Dean for Community Engagement

**Business Address:** 2021 Perdido St., Sixth Floor  
New Orleans, LA 70112

**Business Telephone and Fax:** (O) 504-568-6004 (F) 504-568-6006

**Business email Address:** [rbail1@lsuhsc.edu](mailto:rbail1@lsuhsc.edu)

**Education:**

**Undergraduate** Morehouse College, Atlanta, GA  
9/1982-6/1986 BS, Major Biology  
Minor Chemistry

**Graduate/Medical** University of Texas Branch at Galveston,  
9/1986-6/1990 Galveston, TX  
MD, Doctor of Medicine

**Internship** University of Texas at Houston-Texas Medical Center,  
6/1990-6/1991 Houston, TX  
Rotating Intern

**Residency** University of Texas at Houston-Texas Medical Center,  
6/1990-6/1994 Houston, TX  
Psychiatry

**Post-Doctoral Fellowships** Yale University, New Haven, CT  
6/1994-6/1995 Forensic Psychiatry

**Clinical Fellowships** Duke University, Durham, NC  
7/2017 Visiting Fellow; Transcranial Magnetic Stimulation

**Certification:**

1998-2028 Psychiatry: American Board of Psychiatry & Neurology  
1999-2024 Forensic Psychiatry: American Board of Psychiatry & Neurology  
1999-Present Diplomat: American Board of Forensic Medicine

**Licensure:**

State	license number	effective dates
California	#166073	2019-2021
North Carolina	#000696	2015-2020

Texas	#H9768	1991-2020
Louisiana	#11207R	1995-2024

### **Academic, Professional, and Research Appointments:**

## **TEACHING EXPERIENCE**

### **Course/Clerkship/Residency or Fellowship/CME Directorships**

- 4/2022-7/2022 American Psychiatric Association CME Course  
Integrating Anti-Racism Practices in Substance Use Treatment

During this 8-week learning collaborative, learners will be able to engage substance use disorder patients using anti-racist, culturally-competent techniques, identify and utilize evidence-based processes to structure treatment for BIPOC patients. Learners will review real-world experiences and clinical case vignettes with a focus on how racial discrimination and harassment manifest in the MOUD treatment environments. This course will enable learners to apply strategies and tools to effectively identify and respond to race-related conflicts in their clinical setting.

### **Teaching Lectures**

#### **Course Based Teaching**

- 08/2014 – 12/2014 Graduate Instructor  
Preparation Hours: 48 Student Contact Hours: 48  
Robert Wood Johnson Foundation, Health Policy Certificate Course on “Implications of Mental Health and Health Policy”

### **Curriculum Development/Implementation**

- 7/2021-9/2021 American Psychiatric Association, (APA).  
On-line learning 8 week learning collaborative  
8 AMA PRA Category 1 Credits  
Participants: Physicians, Residents, and Fellows

Learners will engage substance use disorder patients using anti-racist, culturally-competent techniques, identify and utilize evidence-based process to structure treatment for BIPOC patients. Learners will review real-world experiences and clinical case vignettes with a focus on how racial discrimination and harassment manifest in the MOUD treatment environments.

### **Formal Course Responsibilities**

8/2008-8/2013	Biopsychosocial Correlates of the Hematopoietic/Lymphoid Systems, Small Group Discussion (SGD).
9/2008-9/2014	Biopsychosocial Correlates of the Cardiovascular System, Small Group Discussion (SGD).
10/2008	Biopsychosocial Correlates of the Pulmonary System, Small Group Discussions (SGD).
10/2009	
10/2010	
10/2012	
10/2013	
12/2008	Biopsychosocial Correlates of the Gastrointestinal System, Small Group Discussion (SGD).

## CURRICULUM VITAE

---

### CONTACT INFORMATION

**Email:** hannahcollette@gmail.com

**Phone:** (985) 778 – 1996

**Washington State Psychology License Number:** PY.61229681

**Louisiana Psychology License Number:** Pending

---

### CURRENT POSITION

**Louisiana State University Health Sciences Center (LSUHSC)**

Nov 2023 – present

**Department of Psychiatry**

*Assistant Professor – Clinical*

- Conduct criminal and civil evaluations (e.g., competency to stand trial, not guilty by reason of insanity, violence risk assessment, personal injury evaluations).
- Supervise forensic psychiatry fellow and psychiatry residents.
- Lead didactics on topics relevant to forensic practice.
- Serve on training committees.

---

### PRIOR EMPLOYMENT

**Office of Forensic Mental Health Services**

June 2022 – Oct 2023

*Licensed Psychologist | Forensic Evaluator*

- Conduct forensic assessments of defendants in the State of Washington, including competency to stand trial, mental state at the time of the offense (e.g., not guilty by reason of insanity, diminished capacity), and violence risk assessments.
- Supervise doctoral practicum students and predoctoral interns.
- Co-ordinate and co-direct yearlong training seminar for predoctoral interns in forensic assessment measures (e.g., malingering, competency to stand trial, violence risk assessment).
- Serve on internship training committee.

---

### EDUCATION

**Doctor of Philosophy in Clinical Psychology**

August 2021

*University of North Texas, Denton, TX*

GPA: 4.0

Dissertation: “They Understand the Lyrics, But Not the Music:” Differences in Prosodic Output Across Psychopathic Subtypes

Dissertation Defense: May 11, 2020

Major Professor: Craig S. Neumann, Ph.D.

**Master of Science in Clinical Psychology**

August 2018

*University of North Texas, Denton, TX*

GPA: 4.0

Thesis: An Examination of the Language of Psychopaths: Differences in Prosodic Channels of Communication in Psychopathic and Non-Psychopathic Offenders.

Thesis Defense: May 1, 2018

Major Professor: Craig S. Neumann, Ph.D.

**Bachelor of Science in Psychology**

*Louisiana State University, Baton Rouge, LA*

Minor: Criminology

LSU Honors College

Louisiana Service and Leadership Program (LASAL) Scholar

May 2015

GPA: 3.88

---

**CLINICAL TRAINING EXPERIENCE**

---

**Postdoctoral Fellow**

Aug 2021 – July 2022

*Office of Forensic Mental Health Services*

Fellowship Director: Jacqueline Means, Psy.D.

Population Served: Forensic/Justice

*Fellowship Rotation 1: Forensic Risk Assessment*

Aug 2021 – Dec 2021

Supervisor: Jacqueline Means, Psy.D.

Population Served: Adult Forensic/Justice; Inpatient Adult

- Conducted violence risk evaluations with patients adjudicated Not Guilty by Reason of Insanity (NGRI), as well as collateral interviews with treatment providers.
- Scored and interpreted violence risk assessment measures, including the PCL-R, HCR-20 V3, and VRAG-R.
- Authored forensic risk assessment reports.
- Observed expert testimony in court trials.
- Assisted in development of OFMHS policy and procedure regarding violence risk assessment.
- Assisted in development of training manual for OFMHS forensic evaluators for violence risk assessment, including developing templates for sample risk assessment reports.
- Conducted literature review of current best practices in violence risk assessment.
- Conducted and authored forensic evaluations of competency to stand trial for jail-based defendants.
- Coordinated assignment of testing referrals completed by OFMHS forensic evaluators, as well as WSH psychologists.
- Supervised psychology doctoral interns' administration, interpretation, and testing reports addressing a variety of referral questions (e.g., neuropsychological, feigning/malingering).
- Supervised a doctoral practicum student on issues surrounding forensic report writing, case conceptualization, and use of forensic assessment instruments.

*Fellowship Rotation 2: Mental State at the Time of the Offense*

Dec 2021 – April 2022

Supervisor: Richard W. Yocum, Ph.D., Thomas LeCompte, Psy.D., ABPP, Jacqueline Means, Psy.D.

Population Served: Adult Forensic/Justice; Inpatient Adult

- Conducted evaluations of mental state at the time of the offense (i.e., NGRI, diminished capacity) on both inpatient and outpatient defendants, as well as defendants released on personal recognizance.
- Conducted interviews with collateral informants related to mental state evaluations.
- Authored forensic evaluation reports for a legal audience under supervision.
- Observed expert testimony in court trials.
- Co-facilitated didactic seminar on use of forensic assessment instruments for psychology doctoral interns.

- Led trainings regarding evaluations of competency to stand trial in Washington State.

*Fellowship Rotation 3: Community Forensic Evaluation Service*

April 2022 – July 2022

Supervisor: Thomas LeCompte, Psy.D., ABPP

Population Served: Adult Forensic/Justice

- Conducted pre-trial forensic evaluations (e.g., competency to stand trial, diminished capacity) on outpatient defendants, as well as defendants released on personal recognizance and utilize forensic assessment instruments.
- Authored forensic evaluation reports for a legal audience under supervision.
- Observed expert testimony in court trials.
- Co-facilitated weekly group supervision for psychology doctoral interns.

**Doctoral Clinical Psychology Intern**

Aug 2020 – July 2021

*Western State Hospital/Office of Forensic Mental Health Services*

Directors of Clinical Training: Marilyn A. Ronnei, Ph.D., and Richard W. Yocum, Ph.D.

Population Served: Forensic/Justice

*WSH Rotation 1: Inpatient Forensic Evaluation Service*

Aug 2020 – Nov 2020

Supervisor: Richard W. Yocum, Ph.D.

Population Served: Adult Forensic/Justice; Inpatient Adult

- Conducted pre-trial forensic evaluations (e.g., competency to stand trial, diminished capacity) on both inpatient and outpatient defendants, as well as defendants released on personal recognizance and utilized forensic assessment instruments.
- Authored forensic evaluation reports for a legal audience under supervision.
- Administered and interpreted psychological tests addressing a variety of referral questions (e.g., neuropsychological, feigning/malingering) under supervision.
- Observed and participated in post-trial evaluations of risk and received training on forensic risk assessment measures (e.g., VRAG, HCR-20, PCL-R).
- Observed expert testimony in court trials.
- Supervised a doctoral practicum student on issues surrounding forensic report writing, case conceptualization, and use of forensic assessment instruments.

*WSH Rotation 2: Child Study and Treatment Center (CSTC)*

Dec 2020 – Mar 2021

Supervisors: Fran DeWalt, Ph.D., and Fran Lexcen, Ph.D.

Population Served: Juvenile Forensic/Justice; Inpatient Children and Adolescents

- Conducted pre-trial forensic evaluations of minors and/or their parents for juvenile and adult courts (e.g., clinical diagnosis, competency to stand trial, likelihood of restoration).
- Authored forensic evaluation reports for a legal audience under supervision.
- Administered and interpreted clinical and forensic psychological tests addressing a variety of referral questions under supervision.
- Observed forensic assessments with juveniles (e.g., capacity to commit a crime, mental state at the time of the offense, suitability for adult criminal court, and long-term risk assessments).
- Observed court testimony and attorney consults addressing a juvenile forensic evaluation.
- Participated in weekly forensic group supervision.
- Engaged in individual therapy with five patients aged 4 to 17 twice a week.
- Co-facilitated three treatment groups with patients aged 4 to 17 twice a week.
- Participated on a multidisciplinary treatment team, including attending treatment plan meetings.
- Participated in case reviews, rounds, family staffing, clinical meetings, and intake evaluations.
- Participated in a unit's behavioral management program (milieu).
- Attended monthly continuing education seminars.

- Attended the CSTC Journal Club.
- Supervised a doctoral practicum student on issues surrounding evaluation and treatment of children and adolescents, as well as forensic evaluations with court-referred youth.

*WSH Rotation 3: Forensic Risk Assessment Rotation*

April 2021 – July 2021

Supervisor: Emily Mackelprang, Ph.D.

Population Served: Adult Forensic/Justice; Inpatient Adult

- Conducted violence risk evaluations with patients adjudicated Not Guilty by Reason of Insanity (NGRI), as well as collateral interviews with treatment providers.
- Scored and interpreted violence risk assessment measures, including the PCL-R, HCR-20 V3, and VRAG-R.
- Authored forensic risk assessment reports.
- Conducted psychological evaluations to assess cognitive, personality, and neuropsychological functioning to aid in diagnostic clarification and treatment planning.
- Observed expert testimony in court trials.
- Supervised a doctoral practicum student on issues surrounding forensic report writing, case conceptualization, and use of forensic assessment instruments.

**Practicum Student**

April 2020 – July 2020

*University of North Texas Telehealth Outreach Clinic*

Clinical Supervisor: Elizabeth Wrape, Ph.D.

Population Served: Community

- Attended on-line trainings regarding provision of telehealth services.
- Engaged in weekly individual supervision focused on provision of telehealth services.
- Provided comprehensive psychological assessment services to adults in the community through telehealth format during coronavirus pandemic.
- Scored and interpreted psychological testing materials.
- Authored comprehensive psychological assessment reports under supervision.

**Psychology Practicum Student**

June 2019 – June 2020

*Dallas County Juvenile Department, Psychology Division*

Clinical Supervisors: Ciondria Jones, Psy.D., Leilani Hinton, Ph.D., Andrew Schade, Psy.D., Daniela Alayon, Psy.D., Danielle Davis, Psy.D.

Population Served: Juvenile Forensic/Justice

- Conducted clinical interviews and psychological testing with adjudicated youth undergoing court-ordered evaluations, including competency to stand trial evaluations.
- Scored and interpreted psychological testing materials.
- Authored pre- and post-adjudication forensic evaluations under supervision of licensed psychologist.
- Provided individual psychotherapy services to detained and adjudicated adolescents.
- Co-facilitated psychotherapy groups, including Dialectical Behavior Therapy (DBT) skills, social skills, and anger management.
- Addressed clinical issues including severe mood disorders, behavior disorders, psychotic disorders, substance use disorders, trauma, and emerging maladaptive personality traits.
- Wrote weekly clinical notes and participate in case conceptualization of current clients.
- Completed other psychological interventions with youth, including crisis and sleep interventions.
- Engaged in weekly individual supervision with a licensed clinical psychologist for assessment
- Attended weekly group supervision with psychology interns and licensed clinical psychologists to discuss therapy cases and conceptualization of clients.

Jan 2019 – June 2019

**External Practicum Student**

*North Texas Counseling Associates*

Clinical Supervisor: Jennie Fincher, Ph.D.

Population Served: Community

- Provided psychotherapy services to adults, adolescents, and children in the community.
- Provided play therapy services to children in the community.
- Conducted parent consultations and provided parenting skills training.
- Authored clinical intake reports for psychotherapy clients.
- Wrote weekly clinical notes and participated in case conceptualization of current clients.
- Provided comprehensive psychological assessment services to children and adolescents in the community.
- Scored and interpreted psychological testing materials.
- Authored six comprehensive psychological assessment reports under supervision.
- Received weekly individual supervision from a licensed clinical psychologist.

**Therapy Practicum Student**

Jan 2018 – May 2019

*Psychology Clinic, University of North Texas*

Clinical Supervisor: Randall J. Cox, Ph.D.; Jennie Fincher, Ph.D.; Charles Guarnaccia, Ph.D.

Population Served: Community

- Provided psychotherapy services to adults, adolescents, and children in the community.
- Provided play therapy services to children in the community.
- Conducted parent consultations and provided parenting skills training.
- Authored clinical intake reports for psychotherapy clients.
- Wrote weekly clinical notes and participated in case conceptualization of current clients.
- Provided comprehensive psychological assessment services to adolescents and adults in the community.
- Scored and interpreted psychological testing materials.
- Authored five comprehensive psychological reports under supervision of licensed psychologist.
- Covered a weekly crisis management and intervention shift at the clinic.
- Attended weekly group supervision with practicum team members and a licensed psychologist to discuss clinical cases and conceptualization of clients.
- Provided weekly individual supervision to first and second-year students.
- Received weekly individual supervision from a licensed psychologist.
- Received weekly individual supervision from an advanced student.

**Assessment Practicum Student**

June 2017 – Dec 2017

*Psychology Clinic, University of North Texas*

Clinical Supervisors: Randall J. Cox, Ph.D.; Craig Neumann, Ph.D.

Population Served: Community

- Provided comprehensive psychological assessment services to adolescents and adults in the community.
- Scored and interpreted psychological testing materials.
- Authored ten comprehensive psychological reports under supervision of licensed psychologist.
- Covered a weekly crisis management shift at the clinic.
- Attended weekly group supervision with practicum team members and a licensed psychologist to discuss clinical cases and conceptualization of clients.
- Provided weekly individual supervision to first year students.
- Received weekly individual supervision from an advanced student.

Aug 2016 – May 2017

### Pre-Practicum Student

*Psychology Clinic, University of North Texas*

Clinical Supervisors: Craig Neumann, Ph.D.; Jennie Fincher, Ph.D.

Population Served: Community

- Observed advanced students providing therapy and assessment services.
- Provided intellectual and achievement assessment services to adults in the community.
- Co-authored two comprehensive psychological reports with advanced graduate student under supervision of a licensed psychologist.
- Conducted clinical intake interviews and authored psychological reports with an advanced student.
- Covered a weekly crisis management shift at the clinic.
- Attended weekly group supervision with practicum team members and a licensed psychologist to discuss clinical cases and conceptualization of clients.
- Received weekly individual supervision from an advanced student.

### Registered Behavioral Therapist

Dec 2015 – July 2016

*Gulf South Autism Center*

Supervisor: Brian Esteve, Ph.D.

Population Served: Community

- Conducted applied behavioral analysis therapy with children with autism.
- Assisted speech therapist in group therapy sessions.
- Assisted in design of behavioral intervention plans for children with autism.

### Registered Behavioral Therapist

June 2015 – Nov 2015

*Spears Learning Center*

Supervisors: Kelly Spears, SLP, BCBA; Ian Vignes, BCBA

Population Served: Community

- Conducted applied behavioral analysis therapy with children with autism.
- Designed therapy plans based on ABLIS criteria under BCBA supervision.
- Entered and analyzed behavioral data for therapy purposes.
- Conducted progress report meetings with parents outlining future therapy goals.

### Line Therapist/Group Therapy Aide

Jan 2014 – May 2015

*The Emerge Center*

Supervisors: Addie Andrus, BCBA; Jane Morton, Ph.D.

Population Served: Community

- Conducted applied behavioral analysis therapy with children with autism.
- Assisted speech therapist with group therapy sessions.
- Facilitated social skills group with older children with autism.

---

## RESEARCH EXPERIENCE

---

### **Doctoral Intern: Program Evaluation**

Aug 2020 – July 2021

*Office of Forensic Mental Health Services (OFMHS)*

Supervisors: James Vess, Ph.D., Rheanna Remmel, Ph.D.

- Project: Evaluation of Breaking Barriers Competency Restoration Program in DSHS Sites
- Over the course of the doctoral internship year, the following research tasks were completed:
  - Completed literature review on competency restoration programs and restoration rates both in the state of Washington and across the U.S.
  - Compiled database of competency restoration rates and symptom reduction of defendants participating in Breaking Barriers competency restoration program.
  - Organized data and analyzed results.
  - Wrote report and presented findings to OFMHS and other stakeholders.

### **Clinical Fellow**

Sept. 2019 – July 2020

*UNT Department of Psychology & Texas Higher Education Coordinating Board*

*North Texas Initiative for the Study of Health Disparities*

Principle Investigators: Jennifer Callahan, Ph.D., ABPP, Camilo Ruggero, Ph.D.

- Provided clinical services (e.g., therapy, assessment, crisis intervention, consultation) to underserved, diverse populations in the Dallas-Fort Worth metropolitan area.
- Gathered outcome and demographic data from clients served through practicum site.
- Assisted with data collection regarding health disparities at practicum site.
- Attended seminars and didactics through UNT Psychology Department regarding treatment and multicultural issues.

### **Graduate Research Assistant**

April 2019 – July 2020

*UNT Department of Psychology*

*Connected Mind Study*

Principal Investigator: Richard Rogers, Ph.D., ABPP

- Conducted semi-structured clinical interviews with community outpatients.
- Administered validated and novel self-report inventories of psychopathology with community outpatients in family medicine practice.
- Assisted with validation of computerized self-report measure of psychopathology.
- Assisted with analysis of data comparing novel measure to established measures of psychopathology.

### **Graduate Research Assistant**

Aug 2016 – July 2020

### **Undergraduate Lab Coordinator**

*UNT Department of Psychology*

Principle Investigator: Craig Neumann, Ph.D.

- Developed protocol for analysis of natural speech in clinical interview (i.e., PCL-R) with offenders.
- Analyzed and spliced audio samples of PCL-R interviews of offenders with psychopathic traits.
- Directed and coordinated undergraduate research laboratory.

- Organized and coordinated bi-weekly lab meetings and journal club.
- Mentored undergraduate research assistants in completion of independent research projects, poster presentations, and manuscript writing.
- Conducted semi-structured, diagnostic interviews with victims of trauma for study.
- Administered research protocols to participants.
- Analyzed data for manuscripts and lab projects using SPSS and MPLUS.
- Co-authored manuscripts for peer reviewed journals.

**Interviewer**

June 2015 – July 2016

*University of New Orleans*

*Crossroads Study: Formal vs. Informal Processing in the Juvenile Justice System*

Principal Investigator: Paul Frick, Ph.D.

- Conducted interviews (consisting of 2-hour self-report battery) with first-time juvenile offenders.
- Investigated potential moderators on the association between callous-unemotional traits and recidivism (i.e., delinquent peer affiliation, attitudes towards procedural justice).
- Attended laboratory meetings in which data collection and field experiences were discussed.
- Scheduled interviews and prepared necessary materials.
- Reviewed participants' official court records and entered into database for data analysis.

**Research Assistant**

Aug 2012 – May 2015

*LSU Department of Psychology*

*Affective Science and Psychopathology Laboratory*

Principal Investigator: Alex Cohen, Ph.D.

- Conducted independent research project on hostile attributional biases in schizophrenia.
- Designed qualitative schema of anhedonia.
- Administered experimental testing with undergraduates with schizotypy and controls.
- Analyzed and spliced audio and video samples of patients with severe mental illness.
- Attended laboratory meetings in which current research projects were discussed.

**Research Assistant**

Jan 2014 – Dec 2014

*LSU Department of Psychology*

Principal Investigator: Alan Baumeister, Ph.D.

- Compiled and organized comprehensive database of patients in mental hospitals.

**Research Assistant**

May 2012 – Jan 2014

*LSU Health Science Center*

*Department of Psychiatry*

Principal Investigators: Howard Osofsky, M.D., Ph.D.; Joy Osofsky, Ph.D.

- Conducted clinical phone calls and interviews with victims of Deepwater Horizon Oil Spill.
- Reviewed professional literature and compiled annotated bibliographies.
- Entered and analyzed data from school children impacted by multiple traumas.

---

**MANAGEMENT EXPERIENCE**

---

**Test Storeroom Lead**

May 2018 – July 2020

*University of North Texas Psychology Clinic*

- Developed teleassessment protocol and instructional seminar for use during the Covid-19 pandemic.
- Created virtual test storeroom with materials adapted for use in teleassessment format.

- Developed sanitary test administration procedures and protocol to facilitate safe re-opening of university-based community health clinic during the Covid-19 pandemic.
- Managed assessment test storeroom for university-based community mental health clinic.
- Provided assistance with battery planning and case conceptualization for student clinicians.
- Supervised test storeroom employees and managed schedules.

---

## TEACHING POSITIONS

---

### Department of Psychology, Teaching Fellow

Aug. 2017 – May 2018

Courses: Abnormal Psychology (Spring 2018) and Adult Development and Aging (Fall 2017)

Supervisor: Vicki Campbell, Ph.D.

- Developed course syllabus and created all course materials.
- Prepared and lectured 3 hours weekly.
- Wrote all exam items.
- Held weekly office hours to meet with students.

### Department of Psychology, Teaching Assistant

Aug. 2016 – May 2018

Courses: Psychology of the Offender (Spring 2018), Sexual Behavior (Summer – Fall 2017), Quantitative Methods (Fall 2016 – Spring 2017), Introduction to Psychology (Spring 2017), and Marital Adjustment (Fall 2016)

Supervisor: Sandeep Roy, M.S., Michael Barnett, Ph.D., Elizabeth Davis-Kilmer, M.S., Ateka Contractor, Ph.D., and Davis Mosher, M.S.

- Proctored all exams.
- Graded written assignments and exams and uploaded student grades to Blackboard.
- Held weekly office hours to meet with students.
- Guest lectured during the semester.

---

## AWARDS AND HONORS

---

### *Outstanding Thesis Award*

March 2019

University of North Texas, Department of Psychology

- Received \$200 towards funding future research.

### *Rogers Academic Career Award in Clinical Psychology*

March 2019

University of North Texas, Department of Psychology

- Received \$1800 towards funding research and presenting at conferences

### *Toulouse Graduate School College of Liberal Arts and Social Sciences (CLASS) Travel Grant*

Sept 2018

- Received \$300 to fund travel to national conference.

### *Psychology Department Excellence Scholarship (PDES)*

Aug 2016 – present

University of North Texas, Department of Psychology

### *Toulouse Graduate School Academic Achievement Scholarship (AAS)*

Aug 2016 – present

University of North Texas

### *Level One Research Poster, 2<sup>nd</sup> Place Winner for Social Sciences*

Nov 2013

LSU Undergraduate Research Conference

- Poster: Hostility in severe mental illness: A proposed correlational model.

*ASPIRE Scholar*

May 2013 – May 2015

Louisiana State University

- Received \$1000 towards funding research and presenting at conferences.

*Sophomore Honors Distinction*

Oct 2013

LSU Honors College

*Dean's List*

Dec 2011 – May 2015

Louisiana State University

*Chancellor's List*

May 2013 – May 2015

Louisiana State University

*Taylor Opportunity Program for Students (TOPS) Honors Recipient*

Aug 2011 – May 2015

Louisiana Public Colleges and Universities

## SCHOLARLY SOCIETIES

---

*Society for Research in Psychopathology*  
Student Member

2017 – present

*American Psychology-Law Society*  
Student Member

2019 – present

---

## LEADERSHIP AND SERVICE

---

**UNT Graduate Association of Students in Psychology (GASP)**

Aug 2017 – May 2019

Social Chair

- Attended monthly meetings discussing on-going projects and advocacy for graduate students.
- Organized department social events.
- Assisted with coordination of graduate student professional events.

**VIPS Everybody Reads Program**

Aug 2011 – Dec 2011

Reading Tutor

- Taught 2<sup>nd</sup> grader reading skills.
- Provided mentorship to elementary school students in Title 1 School District.

**LASAL Tensas Parish Trip**

April 2012

Volunteer

- Organized community gatherings and discussions around issues of poverty.

---

## OTHER RELEVANT SKILLS & TRAINING

---

- Completed Forensic Track at UNT (e.g., completion of forensic-relevant coursework, research, and clinical forensic work).
- Trained in administration and scoring of the Psychopathy Checklist-Revised (PCL-R), Evaluation of Competency to Stand Trial – Revised (ECTS-R), Historical Clinical Risk – 20 Version 3 (HCR-20 V3), Violence Risk Appraisal Guide – Revised (VRAG-R), Structured Assessment of Protective

Factors (SAPROF), Miller Forensic Assessment of Symptoms Test (M-FAST), Test of Memory Malingering (TOMM), and Structured Interview of Reported Symptoms – 2<sup>nd</sup> edition (SIRS-2).

- Proficient in SPSS and MPLUS.
