INSTRUCTIONS TO BIDDERS  
AND  
GENERAL CONDITIONS

1. SUBMITTAL OF BID: The bidder must submit the bid on the form herein provided. The bid must be signed in ink, with the blank space(s), filled in for each and every item. The bidder must state the UNIT price mark-up (written in ink or typewritten) for each item listed. Telephone Bids WILL NOT be accepted.

Each change or correction must be clearly marked and initialed by bidder. Failure to comply with these requirements may cause your bid to be disqualified.

The proposal shall be submitted in a sealed envelope or online with the bid no. and due date clearly written on the exterior. The sealed envelope shall then be delivered to the Sheriff's Office, LaPlace, Louisiana, before the time set for receiving proposals as entered on the front sheet hereof. Any envelope, any sample or package, etc. should refer to the Bid No. and Due Date.

Bids may be rejected for additions, conditions, or alternate bids, not called for, for incomplete bids, or for failure to comply with requirements set forth. Bids received after the time set will be returned to the bidder unopened.

No bids may be withdrawn after opening date and hour shown on cover sheet and quoted prices shall be firm for a minimum of thirty (30) days unless otherwise specified by the St. John Parish Sheriff's Office or the bidder.

2. SPECIFICATIONS: Wherever standard Louisiana specifications are specified in any quotation, all bidders must comply with these specifications. Specifications other than standard specifications are to be considered as setting a standard of quality suitable to permit competition and to coincide as far as possible with commercial standards of goods generally sold on the market.

3. BID OPENING: Bidders may attend the bid opening, but no information or opinions concerning the ultimate contract award will be given at the bid opening or during the evaluation process. Bids may be examined seventy-two (72) hours after request is made. Information pertaining to completed files may be secured by visit the Sheriff's Office during normal working hours.

A complete record of all bids is kept on file in this office subject to the inspection of any citizen. Every courtesy will be afforded any citizen who is interested in investigating, for any purpose, the record(s) of St. John Parish Sheriff's Office purchases.

4. AWARD OF CONTRACT: The award of all contracts will be made in conformity with the requirements of the State Statute. The contract shall be awarded with reasonable promptness by written notice to the lowest responsive and responsible bidder whose bid meets the requirements and criteria set forth in the proposals. The St. John Parish Sheriff reserves the right to reject any and all bids. St. John Parish Sheriff's Office will award this proposal as a total package to one (1) vendor based on low bid margin.

5. TERMS OF CONTRACT: It is the intent of this contract to provide for the purchase and dispensing of on-site consigned, off-site commercial, and bulk motor fuels for a (1) one year period with an option for THREE (3) additional twelve (12) month periods at the same prices and terms. Both parties must agree to any extension, and a decision will be made at each twelve (12) month interval.

6. EQUAL EMPLOYMENT: Contractor agrees not to discriminate in its employment practices, and will render services under this contract without regard to race, color, religion, sex, national origin, veteran status, political affiliation, disabilities or because of an individual's sexual orientation.
7. INSURANCE: The contractor shall carry and maintain Workmen's Compensation and Public Liability and Property Damage Insurance in accordance with the statutes and laws of the State of Louisiana, and he/she shall furnish the Owner with satisfactory proof of carriage of the insurance required.
8. CANCELLATION OF CONTRACT: The St. John Parish Sheriff's Office has the right to cancel any contract, in accordance with Purchasing Rules and Regulations, for cause, including but not limited to the following: (1) Failure to deliver within the time specified in the contract; (2) Failure of the product or service to meet specifications, conform to sample quality or to be delivered in good condition; (3) Misrepresentation by the Contractor; (4) Fraud, collusion, conspiracy or other unlawful means of obtaining any contract with the state; (5) Conflict of contract provisions with constitutional or statutory provisions of state or federal law; (6) Any other breach of contract.
9. SIGNATURE AUTHORITY: In accordance with L.R.S.39:1594 (Act 121 of 1997), the person signing the bid must be:
  - A. A current corporate officer, partnership member or other individual specifically authorized to submit a bid as reflected in the appropriate records on file with the Secretary of State; or
  - B. An individual authorized to bind the vendor as reflected by an accompanying corporate resolution, certificate or affidavit. By signing the bid, the bidder certifies compliance with the above.

### **FAMILIARITY WITH CONDITIONS**

Prior to the submission of the bid proposal, the Prospective Bidder shall make and shall be deemed to have made a careful examination of the project site, the plans, and specifications. The Prospective Bidder shall become informed as to the location and nature of the proposed construction, the kind and character of terrain to be encountered, the kind of facilities required before and during the construction of the project, general local conditions and all other matters that may affect the cost and the time of completion of the project.

### **CODES AND PERMITS**

Said work shall comply with all local codes and ordinances.

### **WORKMANSHIP AND MATERIALS**

The Bidder shall provide materials herein specified. Reference to specific manufacturers or trade names is not intended to limit or indicate preference to specific manufacturers, but to indicate a standard of quality.

### **TERMINATION OF CONTRACT**

The St. John Parish Sheriff's Office reserves the right to terminate the contract prior to the end of the contract period upon twenty-four (24) hour written notice, for unsatisfactory delivery, for failure to meet the required specifications, or if the St. John Parish Sheriff's Office considers prices to be too high or out of line with other contractors. All orders delivered prior to the effective date of termination shall be paid for by the St. John Parish Sheriff's Office in accordance with the terms of contract, whereupon all obligations of both parties to the contract will cease. The St. John Parish Sheriff's Office also reserves the right to cancel with a thirty (30) day written notice without cause.

**AUDITS**

The St. John Parish Sheriff's Office reserves the right to have representatives of the St. John Parish Sheriff's Office and/or the State inspect the records maintained by the contractor concerning the products and services described herein.

**INSURANCE**

The successful Bidder/Contractor shall carry and maintain Workmen's Compensation and Public Liability and Property Damage Insurance in accordance with the statutes and laws of the State of Louisiana, and he/she shall furnish the Owner with satisfactory proof of carriage of the insurance required. This coverage shall be in accordance with the *Louisiana Office of Risk Management Procedural Manual for Insurance Requirements in Contracts, Exhibit A*, which can read online at: <http://doa.louisiana.gov/orm/uw.htm>

This required coverage includes, but is not limited to:

1. Minimum \$1,000,000.00 Comprehensive General Liability coverage per occurrence
2. Minimum \$2,000,000.00 Comprehensive General Liability coverage general aggregate
3. Workman Compensation coverage for all contractor employees, as statutorily required.

Unless otherwise specified in this document, upon award of the Contract, the Contractor shall be required to submit a Certificate of Insurance naming the St. John Parish Sheriff's Office as an additional insured for the duration of the Contract.

**INDEMNIFICATION**

The Contractor will indemnify and hold harmless the Owner and all of their agents and employees from and against all claims, damages, losses, and expenses including attorney's fees arising out of or resulting from operations under the Contract Documents by the Contractor, and subcontractor, anyone directly or indirectly employed by any of them, or anyone for whose acts any of them may be liable, which are caused in whole or in part by any error, omission, or act of any of them. If any and all claims against the Owner or any of their agents or employees by any employee of the Contractor, subcontractor, anyone directly or indirectly employed by any of them, or anyone for whose acts any of them may be liable, the indemnification obligation of the Contractor under this article shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for the Contractor or any subcontractor under Workmen's Compensation laws.

## **DETAILED SPECIFICATIONS**

### **ON-SITE AUTOMATION**

Contractor shall own, install and maintain (including all repairs) the fuel control terminal with the capacity of monitoring two (2) hoses for one (1) 4000 AGST fuel tank for the duration of the contract.

### **COMMERCIAL SERVICE STATIONS**

***Successful contractor shall have card accepting fueling locations in St. John The Baptist Parish. Successful contractor shall also have fueling locations throughout Louisiana, with an availability of nation-wide (continental United States). Bidder must submit a detailed list of site locations in bid packet. Failure to supply list specified may be cause for rejection of bid.***

### **ESTIMATED QUANTITIES**

The St. John Parish Sheriff's Office annual fuel consumption is **estimated** to be 250,000 gallons of E-10 unleaded gasoline, 5,000 gallons of on-road diesel, 3,000 gallons Premium 91 Octane conventional unleaded gasoline. Quantities are **estimates** only **AND NOT GUARANTEED.**

### **TANK CAPACITIES**

The St. John Parish Sheriff's Office owns one (1) 4,000gallon aboveground fuel storage tank. The contractor at its sole expense is to supply to the Sheriff's office one (1) 550gallon dual wall fuel storage tank for 91 Octane Conv Unleaded and one (1) 1,000gallon dual wall fuel storage tank for ULSD. Both tanks are to be equipped with an electric pump with a meter and a site gauge.

### **MANAGEMENT CONTROLS**

Provide a twenty-four (24) hour, seven (7) day a week computer monitored and controlled fuel system. This system shall monitor and control fuel shrinkage and shortage.

### **REPORTING TECHNIQUES**

Contractor shall provide electronically a bi-weekly consumption report combining onsite and off-site transactions detailing the following:

- Vehicle number and description
- Driver name
- Date and time of fueling
- Fueling location
- Odometer and miles per gallon
- Gallons and dollar amounts
- Fuel type
- Total weekly usage and totals by department

The above information should also be electronically sent in an excel format compatible with the integration of Zuercher Technologies software.

Contractor shall provide the following information and access via the internet:

- Transactional data on a real-time basis
- On-line tutorial
- Ability to change, view, export and print account and employee data
- Ability to change, view, export and print vehicle and card data
- Ability to view, export and print all invoices/statements

**FUEL COST**

Contractor will provide one (1) fixed markup per gallon for onsite, one (1) fixed markup per gallon for commercial fueling stations and (1) fixed markup per gallon for bulk fuel deliveries which is to include all fees. The contractor shall derive price from the OPIS(Oil Price Information Service) Pad 3, New Orleans, La. Terminal report. These rack prices are to be adjusted on a weekly basis in accordance to the OPIS Thursday postings for usage for the prior Monday through the following Sunday. Applicable terminal/rack refiner price (branded or unbranded) for each product purchased that calendar week. OPIS is an independent company that tracks and provides refiner terminal rack prices to re-sellers by Rack Market. Note: Rack Market refers to where petroleum products are sold at the wholesale level from primary storage. Rack refers to loading racks where tanker trucks fill up.

**TAXES**

The contractor MUST exempt St. John Parish Sheriff's Office, at the point of sale, from the Federal Gasoline Tax (\$0.183 per gallon) and Federal Diesel Tax (\$0.243 per gallon) on every gallon of fuel purchased. Current fuel taxes are for La Inspection fee tax (.00125); Federal Leaking Underground (.0010); Federal Oil Spill Liability Diesel and Conventional Gas (.0019) or Federal Oil Spill Liability E-10 (.0017). Louisiana Underground Storage tax applies only to owners with UGST's at (.008). Taxes are not to be included in the margin bid price.

**NUMBER OF FLEET CARDS**

The number of fleet cards to be supplied to the St. John Parish Sheriff's Office upon commencement of contract is to be no less than one hundred (150). The St. John Parish Sheriff's Office reserves the right to request additional cards at no additional cost to the Sheriff's Office. Contractor shall provide all cards needed and all replacement cards at no additional charge to the Sheriff's office. Cards should have no card fees, no service fees, no membership fees, and no application fees. Cards should also be restricted to FUEL ONLY.

**CONTROL ACCESS CARDS**

Contractor shall provide St. John Parish Sheriff's Office with a one (1) card system. All vehicles and drivers of said vehicles will be issued a control access card which shall provide the following:

- Vehicle and driver identification
- Security code information
- Tank capacity limitation

**CONTINGENCY PLANS FOR LOSS OF ONSITE USAGE**

The successful bidder is to provide twenty-four (24) hour a day, seven (7) days a week call service of a computer technician for all fuel dispensing equipment. At any time the contact number changes during the contract duration, the fleet manager shall be notified immediately of the change.

**CONSIGNED FUEL, RECONCILIATION AND INVENTORY CONTROL MANAGEMENT**

Consigned fuel shall be provided to St. John Parish Sheriff's Office by the contractor. The contractor will be responsible for ordering and delivering fuel when necessary, controlling inventory costs and monitoring fuel shortages. The contractor shall reconcile fuel inventory with proper reporting, forms and procedures via pump, tank and computer reconciliation.

**EMERGENCY/BYPASS**

In EMERGENCY situations where electricity is out and the sheriff's owned and operated generator is in place, contractor gives the St. John Parish Sheriff's Office the right to bypass the control terminal in order to provide fuel to St. John Parish Sheriff's Office vehicles. When the control terminal is to be bypassed, the St. John Parish Sheriff's Office and/or the contractor will unlock tanks and take a stick reading prior to and after the bypass. The St. John Parish Sheriff's office will be responsible for payment of the fuel used while in bypass mode.

**CONTRACTOR OBLIGATIONS**

Contractor must guarantee in the event of a fuel embargo or crisis, either man-made or natural (including hurricanes), resulting in a fuel shortage, that the St. John Parish Sheriff's Office will receive top priority for fuel volume equivalent to the current usage at the on-site consignment locations. In the event of a hurricane, the St. John Parish Sheriff's Office will notify contractor within five (5) days of a Louisiana projected landfall, so that the contractor can schedule delivery of fuel prior to the arrival of the storm. The contractor shall communicate with the St. John Parish Sheriff's Office at least once daily thereafter to ensure adequate present and future supply of fuel is available.

At no time shall the contractor allow on-site managed inventory to fall below twenty-five percent (25%) capacity. In the event the tank capacities fall below specified amounts, the St. John Parish Sheriff's Office reserves the right to purchase fuel from another supplier due to the failure of the contractor's services or equipment. The St. John Parish Sheriff's Office would take a stick reading prior to and after the fuel delivery. The St. John Parish Sheriff's Office will make every reasonable effort to purchase from the successful contractor at all times.

**Cost to St. John Sheriff**

**TELEPHONE LINES AND ELECTRICAL CIRCUITRY**

St. John Parish Sheriff's Office will maintain one data grade telephone line at the location needed by the contractor. St. John Parish Sheriff's Office will be responsible for the telephone installation and the monthly telephone bills for this line.

St. John Parish Sheriff's Office will maintain a clean dedicated 120 V AC electrical circuit at the pump island of sufficient voltage and amperage to operate pumps, electrical reset and card reader. The St. John Parish Sheriff's Office at its sole expense will install and maintain the necessary electrical lines needed for the electric pumps on the (2) loaned dual wall storage tanks.

**EXISTING EQUIPMENT**

St. John parish Sheriff's Office acknowledges that they are responsible for maintenance and repair on all existing tanks and dispensers. St. John Parish Sheriff's office has the option to call contractor to schedule maintenance which will be billed on an as-needed basis.

**REGULATORY COMPLIANCE**

St. John Parish Sheriff's Office acknowledges that we are the operator of all tanks, connected underground piping, ancillary equipment, and containment systems. As operator of tanks, St. John Parish Sheriff's Office is responsible for compliance and will strictly comply with current and future federal, state and local laws and regulations applicable to these tanks, as well as all other pertinent environmental laws and regulations. St. John Parish Sheriff's Office will be responsible for compliance with the following: registration, payment of all registration, monitoring, maintenance and other fees; reporting, record keeping, replacement, release detection, reporting  
Page 9, Instructions to Bidders and General Conditions  
investigation, contaminant, response and corrective actions; assurance of financial responsibility; closure; and compensation of claims for bodily injury, death, exemplary damages, property damage and natural resource damages caused by or arising from in whole or in part, a release from any tank system.

**FUEL SPECIFICATIONS**

All motor fuels to be volatile hydrocarbon fuels and must meet or exceed Federal and State specifications as determined by the American Standard Testing Methods (ASTM).
