OPERATING AGREEMENT
of
Global Group Holding

This Operating Agreement (the "Agreement") made and entered into this 2nd day of July, 2020 (the "Execution Date"),

BY:

Kevin Logan of 2524 parham dr

(the "Member").

BACKGROUND:

- A. The Member wishes to be the sole member of a limited liability company.
- B. The terms and conditions of this Agreement will govern the Member within the limited liability company.

IN CONSIDERATION OF and as a condition of the Member entering into this Agreement and other valuable consideration, the receipt and sufficiency of which is acknowledged, the Member agrees as follows:

Formation

- 1. By this Agreement, the Member forms a Limited Liability Company (the "Company") in accordance with the laws of the State of Louisiana. The rights and obligations of the Member will be as stated in the Louisiana Limited Liability Company Act (the "Act") except as otherwise provided in this agreement.

Name

- 2. The name of the Company will be Global Group Holding.

Sole Member

3. While the Company consists only of one Member, any reference in this Agreement to two or more Members and that requires the majority consent or unanimous consent of Members, or that requires a certain percentage vote of Members, should be interpreted as only requiring the consent or vote of the sole Member.

Purpose

4. Financial Services.

Term

5. The Company will continue until terminated as provided in this Agreement or may dissolve under conditions provided in the Act.

Place of Business

6. The Principal Office of the Company will be located at 2400 Texas Ave #37335 or such other place as the Members may from time to time designate.

Capital Contributions

7. The following table shows the Initial Contributions of the Member. The Member agrees to make the Initial Contributions to the Company in full, according to the following terms:

Member	Contribution Description	Value of Contribution
Kevin Logan	Sweat equity/\$15K	\$50,000.00

Allocation of Profits/Losses

8. Subject to the other provisions of this Agreement, the Net Profits or Losses, for accounting purposes, will accrue to and be borne by the sole Member:

Kevin Logan of 2524 parham dr.

9. No Member will have priority over any other Member for the distribution of Net Profits or Losses.

Nature of Interest

10. A Member's Interest in the Company will be considered personal property.

Withdrawal of Contribution

11. No Member will withdraw any portion of their Capital Contribution without the unanimous consent of the other Members.

Liability for Contribution

12. A Member's obligation to make their required Capital Contribution can only be compromised or released with the consent of all remaining Members or as otherwise provided in this Agreement. If a Member does not make the Capital Contribution when it is due, he is obligated at the option of any remaining Members to contribute cash equal to the agreed value of the Capital Contribution. This option is in addition to and not in lieu of any others rights, including the right to specific performance that the Company may have against the Member.

Additional Contributions

13. Capital Contributions may be amended from time to time, according to the business needs of the Company. However, if additional capital is determined to be required and an individual Member is unwilling or unable to meet the additional contribution requirement within a reasonable period, the remaining Members may contribute in proportion to their existing Capital Contributions to resolve the amount in default. In such case, the allocation of Net Profits or Losses and the distribution of assets on dissociation or dissolution will be adjusted accordingly.
14. Any advance of money to the Company by any Member in excess of the amounts provided for in this Agreement or subsequently agreed to, will be deemed a debt due from the Company rather than an increase in the Capital Contribution of the Member. This liability will be repaid with interest at such rates and times to be determined by a majority of the Members. This liability will not entitle the lending Member to any increased share of the Company's profits nor to a greater voting power. Repayment of such debts will have priority over any other payments to Members.

Capital Accounts

15. An individual capital account (the "Capital Account") will be maintained for each Member and their Initial Contributions will be credited to this account. Any Additional Contributions made by any Member will be credited to that Member's individual Capital Account.

Interest on Capital

16. No borrowing charge or loan interest will be due or payable to any Member on their agreed Capital Contribution inclusive of any agreed Additional Contributions.

Management

17. Management of the Company is vested in the following manager (the "Manager") until such time as this Manager is removed by the Members or withdraws from the position:

- Kevin Logan

18. The duties and responsibilities of the Manager will include the following:

- Hold meetings
Sign contracts
Setup bank accounts.

19. A new Manager may be added to the Company with a majority vote of the Members.

20. A Manager will be reimbursed for expenses directly related to the operation of the Company.

21. The Members will be consulted and the advice and opinions of the Members will be obtained as much as is practicable. However, the Manager will have management and control of the day-to-day business of the Company for the purposes stated in this Agreement. All matters outside the day-to-day business of the Company will be decided by the Members as outlined elsewhere in this Agreement.

22. In addition to day-to-day management tasks and any other duties and responsibilities already identified in this Agreement, the Manager's duties will include keeping, or causing to be kept, full and accurate business records for the Company according to generally accepted accounting

principles (GAAP), and overseeing the preparation of any reports considered reasonably necessary to keep the Members informed of the business performance of the Company.

23. A Manager will not be liable to the Members for any action or failure to act resulting in loss or harm to the Company except in the case of gross negligence or willful misconduct.
24. Each Manager will devote such time and attention to the business of the Company as required to carry out their duties and responsibilities for the conduct of the Company's business.

Authority to Bind Company

25. Only the following individuals, classes or groups have authority to bind the Company in contract: Kevin Logan.

Duty of Loyalty

26. While a person is a Member or Manager of the Company, and for a period of at least six months after that person ceases to be a Member or Manager, that person will not carry on, or participate in, a similar business to the business of the Company within any market regions that were established or contemplated by the Company before or during that person's tenure as Member or Manager.

Duty to Devote Time

27. Each Member will devote such time and attention to the business of the Company as the majority of the Members will from time to time reasonably determine for the conduct of the Company's business.

Member Meetings

28. A meeting may be called by any Member providing that reasonable notice has been given to the other Members.
29. Regular meetings of the Members will be held only as required.

Voting

30. Each Member will be entitled to cast votes on any matter based upon the proportion of that Member's Capital Contributions in the Company.

Admission of New Members

31. A new Member may only be admitted to the Company with a majority vote of the existing Members, except in the case of a prospective member, the admission of which would render the Company ineligible to elect out of the application of the Tax Rules, in which case a unanimous vote of the existing Members will be required to admit that member.
32. The new Member agrees to be bound by all the covenants, terms, and conditions of this Agreement, inclusive of all current and future amendments. Further, a new Member will execute such documents as are needed to affect the admission of the new Member. Any new Member will receive such business interest in the Company as determined by a unanimous decision of the other Members.

Voluntary Withdrawal of a Member

33. Any Member will have the right to voluntarily withdraw from the Company. Written notice of intention to withdraw must be served upon the remaining Members at least one month prior to withdrawal.
34. The voluntary withdrawal of a Member will have no effect upon the continuance of the Company.
35. It remains incumbent on the withdrawing Member to exercise this dissociation in good faith and to minimize any present or future harm done to the remaining Members as a result of the withdrawal.

Involuntary Withdrawal of a Member

36. Events leading to the involuntary withdrawal of a Member from the Company will include but not be limited to: death of a Member; Member mental incapacity; Member disability preventing reasonable participation in the Company; Member incompetence; breach of fiduciary duties by a Member; criminal conviction of a Member; Operation of Law against a Member or a legal judgment against a Member that can reasonably be expected to bring the business or societal reputation of the Company into disrepute. Expulsion of a Member can also occur on application by the Company or another Member, where it has been judicially determined that the Member: has engaged in wrongful conduct that adversely and materially affected the Company's business; has willfully or persistently committed a material breach of this Agreement or of a duty owed to the Company or to the other Members; or has engaged in conduct relating to the Company's

business that makes it not reasonably practicable to carry on the business with the Member.

37. The involuntary withdrawal of a Member will have no effect upon the continuance of the Company.

Dissociation of a Member

38. Where the Company consists of two or more Members, in the event of either a voluntary or involuntary withdrawal of a Member, if the remaining Members elect to purchase the interest of the withdrawing Member, the remaining Members will serve written notice of such election, including the purchase price and method and schedule of payment for the withdrawing Member's Interests, upon the withdrawing Member, their executor, administrator, trustee, committee or analogous fiduciary within a reasonable period after acquiring knowledge of the change in circumstance to the affected Member. The purchase amount of any buyout of a Member's Interests will be determined as set out in the Valuation of Interest section of this Agreement.
39. The remaining Members retain the right to seek damages from a dissociated Member where the dissociation resulted from a malicious or criminal act by the dissociated Member or where the dissociated Member had breached their fiduciary duty to the Company or was in breach of this Agreement or had acted in a way that could reasonably be foreseen to bring harm or damage to the Company or to the reputation of the Company.
40. A dissociated Member will only have liability for Company obligations that were incurred during their time as a Member. On dissociation of a Member, the Company will prepare, file, serve, and publish all notices required by law to protect the dissociated Member from liability for future Company obligations.
41. Where the remaining Members have purchased the interest of a dissociated Member, the purchase amount will be paid in full, but without interest, within 90 days of the date of withdrawal. The Company will retain exclusive rights to use of the trade name and firm name and all related brand and model names of the Company.

Right of First Purchase

42. Where the Company consists of two or more Members, in the event that a Member's Interest in the Company is or will be sold, due to any reason, the remaining Members will have a right of first purchase of that Member's Interest. The value of that interest in the Company will be the

lower of the value set out in the Valuation of Interest section of this Agreement and any third party offer that the Member wishes to accept.

Assignment of Interest

43. Where a Member's financial interest in the Company is assigned to another party who is not an existing Member, that party will be treated as a new Member. An assignment of full membership status inclusive of all duties, obligations, and rights held by the previous Member will be governed by the conditions described under the Admission of New Members section of this Agreement.
44. In the event that a Member's interest in the company is transferred or assigned as the result of a court order or Operation of Law, the trustee in bankruptcy or other person acquiring that Member's Interests in the Company will only acquire that Member's economic rights and interests and will not acquire any other rights of that Member or be admitted as a Member of the Company or have the right to exercise any management or voting interests.

Valuation of Interest

45. A Member's financial interest in the Company will be in proportion to their Capital Contributions, inclusive of any Additional Capital Contributions.
46. In the absence of a written agreement setting a value, the value of the Company will be based on the fair market value appraisal of all Company assets (less liabilities) determined in accordance with generally accepted accounting principles (GAAP). This appraisal will be conducted by an independent accounting firm agreed to by all Members. An appraiser will be appointed within a reasonable period of the date of withdrawal or dissolution. The results of the appraisal will be binding on all Members. The intent of this section is to ensure the survival of the Company despite the withdrawal of any individual Member.
47. No allowance will be made for goodwill, trade name, patents or other intangible assets, except where those assets have been reflected on the Company books immediately prior to valuation.

Dissolution

48. The Company may be dissolved by a unanimous vote of the Members. The Company will also be dissolved on the occurrence of events specified in the Act.

49. Upon Dissolution of the Company and liquidation of Company property, and after payment of all selling costs and expenses, the liquidator will distribute the Company assets to the following groups according to the following order of priority:
- a. in satisfaction of liabilities to creditors except Company obligations to current Members;
 - b. in satisfaction of Company debt obligations to current Members; and then

 - e. The cash, property, and services contributed to the Company by each Member, along with a description and value, and any contributions that have been agreed to be made in the future.
51. Each Member has the right to demand, within a reasonable period of time, a copy of any of the above documents for any purpose reasonably related to their interest as a Member of the Company, at their expense.

52. Each Manager has the right to examine the above documents for any purpose reasonably related to their position as Manager of the Company.

Books of Account

53. Accurate and complete books of account of the transactions of the Company will be kept in accordance with generally accepted accounting principles (GAAP) and at all reasonable times will be available and open to inspection and examination by any Member. The books and records of the Company will reflect all the Company's transactions and will be appropriate and adequate for the business conducted by the Company.

Banking and Company Funds

54. The funds of the Company will be placed in such investments and banking accounts as will be designated by the Members. WHEN SECONDS COUNT, TECHNOLOGY MATTERS™

Lifeline ARM

Automated Chest Compression (ACC) for Professionals

REVOLUTIONARY CPR DEVICE IS QUICK AND EASY TO DEPLOY AND USE

Any lifesaving technique demands a high level of excellence in its delivery during an emergency intervention. Such is the case with cardiopulmonary resuscitation (CPR) where a patient's chest compression fraction (CCF) can only be maximized if rescuers provide effective and uninterrupted CPR. In addition, effective manual CPR may be jeopardized, because CPR guidelines become difficult to maintain, as fatigue can occur in as little as 1-2 minutes.

Defibtech is proud to introduce the Lifeline ARM Automated Chest Compression (ACC) device, a mechanical solution when effective manual CPR isn't possible, for example due to a shortage of personnel or during patient transport. When used as an adjunct to manual CPR, it ensures effective CPR for adults with compression depth (2 inches/5 cm) and rate (at least 100 per minute), as recommended in current AHA/ERC guidelines.

The Lifeline ARM ACC device is comprised of a state-of-the-art compression module paired with a specially designed lightweight yet sturdy frame. An innovative motor design ensures efficient and smooth operation of the compression piston, and a smart software driven motor control algorithm

provides accurate CPR rates and compression depth for variable patient chest resistances.

The rigidity of the frame and backboard allow operation without undue deflection or distortion that could compromise consistent compression depth. The Lifeline ARM ACC device, with its intuitive user interface and automated operation, enhances the precision, dexterity, and control needed when performing CPR.

Advanced battery technology allows for unmatched operational times and long service life across a wide temperature range. Flexible power options include efficient battery swapping features and external AC power input. Field upgradable software enhances its serviceability and makes it adaptable to future resuscitation protocol requirements.

The innovative and elegant design of the Lifeline ARM ACC device affords portability, speedy deployment, compressions with or without rescue breaths, and event capture. Defibtech continues to provide superior value, design, and technical innovation in products with powerful features, functions, and ease of use. The results are truly useful products for helping save lives.
