acknowledges receipt of the following

ADDENDA:
No. 1 Dated 5/27/09
No. 2 Dated 6/11/09
No. 3 Dated 6/15/09
No. _____ Dated _____

BID SECURITY:
Attached in the sum of (5% of total base bid and all alternates)

_____ Dollars

(\$ _____) is to become the property of the Owner in the event the Contract and bond are not executed within the time set forth, as Liquidated Damages for the delay and additional work caused thereby.

If the bid security attached to this proposal is a bond, then such bond shall be submitted on the Bid Bond Form included in the specifications. Any Bond submitted other than on this bond form shall cause the bid to be rejected.

THE BIDDER: Hereby declares and represents that he; a) has carefully examined the Bidding Documents, b) has a clear understanding of the Bidding Documents, c) has not received, relied on, or based his bid on any verbal instructions contrary to the Contract Documents or any addenda, d) has personally inspected and is familiar with the project site, and hereby proposes to provide all labor, materials, tools, appliances, and facilities as required to perform, in a workmanlike manner, all work and services for the construction and completion of above referenced project, all in accordance with the Contract Documents, dated May 21, 2009, as prepared by Leslie Herpin Interior Design, Inc.

Bid Form
ST. CHARLES PARISH LIBRARY – EAST REGIONAL BRANCH

BASE BID:

1. The lump sum total price for each group stated shall include all permits and governmental fees, licenses, and inspections, all sales, consumer use and taxes of any other nature or kind arising from or pertaining to the work or portions thereof provided by the contractor which are legally enacted at the time the bids are received, whether or not yet effective.

Group 1	Steel Library Shelving	\$ <u>N/A</u> (Lump Sum Total – Group 1)
Group 2	Wood Technical Library Furniture	\$ <u>N/A</u> (Lump Sum Total – Group 2)
Group 3	Miscellaneous Furniture	\$ <u>279,798.63</u> (Lump Sum Total – Group 3)

2. Contractor must hold to the price bid for the duration of the contract.

("Equipment Schedule" for each group shall be attached and submitted with bid proposal. Failure to do so shall cause your bid to be rejected.)

COMPLETION TIME:

The Bidder hereby agrees to commence work under this Contract on a date specified in a written "Notice to Proceed" by the Owner and to fully complete the project described within one hundred- twenty-five (125) consecutive calendar days thereafter, or within the time as may be extended as stipulated in the Contract Documents.

LIQUIDATED DAMAGES:

The Bidder hereby also agrees to pay as Liquidated Damages the sum of Five Hundred Dollars (\$500.00) for each consecutive calendar day which the work is not complete beginning with the first day beyond the completion time stated above.

AWARD AND EXECUTION OF CONTRACT:

If the Bidder is notified of the acceptance of the bid within thirty (30) days after the opening of bids, he agrees to execute and deliver the "Contract Between Owner and Vendor and Performance and Payment Bond," AIA Document A310-1970, within ten (10) days after notice from the Owner that the instrument is ready for signature.

If the Bidder fails to complete all requirements for executing the "Contract Between Owner and Vendor and Performance and Payment Bond" within ten (10) days after notification, the Owner may reject the Bid, retain the Bid Bond, call in the surety for payment, and award the contract to the next lowest bidder.

REJECTION OF BIDS:

The Bidder understands that the Owner reserves the right to reject any or all bids for just cause. In accordance with La. R.S.38:2212 (A)(1)(b), the provisions and requirements of this Section, those stated in the advertisement for bids, and those required on the bid form shall not be considered as informalities and shall not be waived by any public entity.

WITHDRAWAL OF BIDS:

The Bidder agrees that this bid shall be good and may not be withdrawn for a period of thirty (30) calendar days after the scheduled closing time for receiving bids except in accordance with the provisions of R.S. 38:2214. This Bid may be withdrawn at any time prior to the scheduled time for the opening of bids or any authorized postponement thereof.

Item 1:

Please note that the pre-bid conference referenced in the 'Advertisement For Bids' has the time listed incorrectly. The conference will take place at the West Regional Branch, 105 Lakewood Drive, Luling, Louisiana at 10:00 AM. Friday, June 5, 2009.

ST. CHARLES PARISH LIBRARY – EAST REGIONAL BRANCH
Addendum No. 2

Issued by: Hannah Heltz
Date: 06/11/09
Pages: 2

Item 1:

The vendor awarded the contract for Group 2 – Wood Technical Library Furnishings (which includes the computer tables) shall provide the following. The connections required for the furniture to be hard-wired per the specifications should be shipped prior to installation so that it can be installed by the electrical contractor(s) on-site during construction. The awarded vendor can get the contact information from the designer, but the vendor is responsible for delivery of the electrical parts to the electrical contractor.

Item 2:

There is no raised loading dock at this site, and installation will be made via flat ground entry to the building. Vendors must provide for costs of labor or lift-gate to have the products removed from the delivery truck.

Item 3:

Page 1 of 3 in the Bid Form (BF - 1 of 3) states that,

“If the bid security attached to this proposal is a bond, then such bond shall be submitted on the Bid Bond Form included in the specifications. Any Bond submitted other than on this bond form shall cause the bid to be rejected.”

The bid bond form mentioned in this statement refers to AIA document A310. Please include it with you proposal as requested.

Item 4:

Awarded vendors shall provide protection for walls, floors etc. including the elevator as needed.

Item 5:

Vendors may contact the site supervisor, Mike Hennesey, at 504-415-6735 to make arrangements to verify dimensions if required.

Item 6:

Construction progress photos will also be available for your reference at www.stcharles.lib.la.us

Item 7:

The Calendar of Events calls for the delivery of samples to coincide with the delivery of sealed or electronic bids. This has been changed.

Samples must be delivered from June 15 through June 17 at 3:30pm. They may be brought to the St. Charles Parish West Regional Branch located at 105 Lakewood Drive, Luling, Louisiana 70070, (985-785-8464). Please contact Tammy Chaisson at the library for arrangements.

Item 8:

Fabric #F-1 (FL-1 of 1) shall be applied railroaded on the chairs.

ST. CHARLES PARISH LIBRARY – EAST REGIONAL BRANCH

Note: Aegis is not longer in business, but above contacts will verify accuracy of information presented below.

Scope of Work: Contract Furniture Group was selected in 2002 as the turnkey furniture dealer to provide space planning services, design consulting, furnishing and installation of new furniture at approximately 210 of their facilities nationwide. Facilities ranged in size from approximately 2,000 sq. ft. to 24,000 sq. ft., and the work load was an average of five facilities per month. Scope of work included developing a standards program for furniture, flooring and finishes, space planning, product specification, purchasing, project management, and furniture installation.

CFG helped develop electrical requirements for the systems furniture, private offices, office equipment, and server rooms. This information became part of the standard lease negotiation package to be provided to landlords and their architects, and eventually became part of construction documents for their general contractors.

CFG worked very closely with the Facilities, Leasing, Project Managers, and IT Departments located in Baton Rouge, LA. Floor plans were required for lease negotiations, and aided Aegis in determining if the proposed lease space would meet their needs. The contract required CFG to have a maximum turn around of 48hrs for preliminary space planning, 24hrs for revisions, and 48hrs for final proposal. CFG worked with Teknion to develop two additional shipping programs for the exclusive use of Aegis. The programs established were five day and ten day lead times. Furnishings included systems furniture, freestanding case goods, conference room tables and chairs, break room table and chairs, reception furniture and filing.

The scope required CFG to provide and coordinate projects with installation companies nationwide to receive, deliver, install and service the project. CFG coordinated relocation and consolidation of product as facilities grew, relocated or merged with other facilities by contracting installation companies to dismantle, pack, transport and reinstall the product as required. The contract required CFG to perform under a short time frame in order to meet Aegis' completion date for all of their branches. This required close coordination with each end-user's IT department and sub-contractors that traveled to all new locations. Contract amount: Approximately \$ 7,500,000.00 over four year period and over 3,000 workstations installed, contract ended November 2006.

CFG experience gained servicing Aegis account will be very valuable to the VA project for the following reasons: Fast turn around for space planning, experience on coordinating multiple deliveries and installations, assisting the VA Project Team with coordination of trades that will impact the final outcome of furniture installation; and accuracy of product specification and orders for a successful install.

Client: People's Health

Project: People's Health Corporate Headquarters

Point of Contact: Diane Share, Director of Administrative Services

E-mail: Diane.Share@peopleshealth.com

Address: 3838 N. Causeway Blvd., Suite 2200, Metairie, Louisiana 70005

Telephone: (504) 681-8720

Scope of Work: Contract Furniture Group was selected in 2002 to provide design and space planning services, furnish and install furniture at Peoples Health's Corporate Headquarters in Kenner, LA. (Approximately 37,000 Sq. Ft.). Scope of work included programming to determine departmental needs, developing workstation and private office typicals, space planning, product specification, purchasing, order tracking, installation and servicing punch list items. Project included several expansions, reconfigurations, and relocations, requiring minimal down-time and maximum use of their current assets. CFG worked closely with other trades to coordinate installation with flooring, electrical and data/cabling contractors.

PHN relocated their Headquarters in **2006** to Metairie, LA (approximately 74,000 sq. ft.) and CFG was part of the team (along with the General Contractor) to help in the selection of their new space. CFG applied existing product to the new space, coordinated closure and installation of relocating departments to minimize down-time, and supplied electrical drawings showing requirements for the systems furniture. Services included complete space planning for four floors, code reviews, project meetings, programming of work space to allocate future growth, filing requirement analysis, and asset management (help client to maximize the use of their existing furniture). Furnishings included systems furniture, freestanding case goods, task and guest seating, training room tables and chairs, conference rooms, reception furniture and high density filing systems. Project required coordination with the Design Build General Contractor; Cantrelle / Braithwaite Construction, LLC. Project also required field verification for all floors; this was done in order to verify accuracy of architectural floor plans, and attend weekly meetings with the General Contractor and client. One of the challenges was the need to address last-minute changes from the client after orders were placed, and reutilizing furniture already ordered to minimize any surplus. CFG coordinated and provided service for all deliveries, installations, break-downs, and reconfigurations throughout the project. Tear downs were carefully scheduled minimize departments downtime, maximize usage of existing systems furniture combined with new orders, and to comply with Building Management restrictions for move outs and after hours deliveries restrictions. All new deliveries were scheduled to take place after normal business hours and weekends, and multiple truck loads were coordinated by each respective installation phase and floor.

Contract amount: Approximately \$1,300,000.00 and over 350 workstations, 75 private offices, 20 small and large conference rooms and executive reception station installed. Project completed in January 2007. PHN still an active client with CFG, and we continue to handle their needs for additions and reconfigurations at their Metairie headquarters.

PHN 2006 relocation scope of work is very similar to the requirements for the VA RFQ; space planning and product application, after normal business hours deliveries, multiple floors and phases, scheduling of various trades, mix of products required to furnish the proposed facility, and complexity of overall project; but without the need to reuse existing furniture.

Telephone: (225) 275-5000

Scope of Work: Contract Furniture Group was selected in **2007** to provide new furniture for Direct General's new Processing Center building. The selection was based on RFQ submitted by Domain Design Architecture of Baton Rouge, LA; and their selection was based on product quality, product performance, service, dealer capability, and price. The scope of this contract required to provide (560) new Teknion workstations, and to maximize the use of approximately (60) existing workstations. CFG design department worked very closely with architectural group in this project, providing valuable insight on modifications of typical workstations, changes on furniture layouts, placement and utilization of existing furniture, and providing requirements for electrical placement for electrical and low voltage cabling feeds for new workstations. CFG also conducted site measurements to ensure accuracy of floor plans provide by architects; several potential problems were identified during this process, and we were able to make the required changes to avoid problems during the final installation. CFG was also required to participate on weekly construction meetings, provide undated shipping and installation schedules. Scope of work also included services to receive, stage, and install new furniture. Moreover, in order to minimize downtime to several departments, and to maximize reuse of their inventory, CFG was also responsible to procure additional parts from multiple vendors to accommodate changes on their existing workstations, coordinate tear down, relocation, and re-installation of existing workstations over one weekend period; 48 hours time frame. This contract was successfully completed in April 2008 with a minimum of outstanding punchlist items; which were promptly corrected, and client was able to move to their new facility as planned. Value of contract was over \$550,000.00 for furniture and services.

PROJECT NO: 03022

AFFIDAVIT

BEFORE ME, the undersigned authority, duly commissioned and qualified within and for the state and parish aforesaid, personally came and appeared Julio C Rodriguez representing Contract Furniture Group, LLC who, being by me first duly sworn deposed and said that he has read this affidavit and does hereby agree under oath to comply with all provisions herein as follows:

Section 2224 of Part II of Chapter 10 of Title 38 of the La. Revised Statutes of 1950 as amended.

(1) That affiant and his firm employed no person, corporation, firm, association, or other organization, either directly or indirectly, to secure the public contract for the above-referenced project with St. Charles Parish under which he will, if awarded the contract, receive or received payment, other than persons regularly employed by the affiant whose services in connection with the construction, alteration or demolition of the public building or project or in securing the public contract were in the regular course of their duties for affiant; and

(2) That no part of the contract price to be received or received by affiant or his firm was paid or will be paid to any person, corporation, firm, association, or other organization for soliciting the contract, other than the payment of their normal compensation to persons regularly employed by the affiant whose services in connection with the construction of the public building or project were in the regular course of their duties for affiant.
