

ATTACHMENT L: BUY AMERICAN PROVISION CERTIFICATION FORM FOR FOOD PURCHASES

SFA Name : Fannie C. Williams Charter School

The Buy American Provision (7 CFR Part 210.21(d)) requires School Food Authorities to purchase, to the maximum extent practical, domestically grown and processed foods. "Domestic" is defined as a product that is grown in the United States, or with processed food items, the product must be processed in the United States of food that is produced and grown domestically in the United States. Any product processed by a responsive vendor must contain over 51% of the food component, by weight or volume, from U.S. origin.

The vendor must include all component items proposed by the company that do not meet the definition of "domestic". This document must be included as a part of the proposal. This document is provided in Microsoft Word format so the vendor may add additional food items.

VENDORS MUST CERTIFY EITHER: (CHECK NUMBER 1 OR 2)	
<input type="checkbox"/>	1. I certify that all food products proposed by my company are 100% produced in the U.S., or processed in the U.S. with the final processed product including over 51% of food that was grown in the U.S.
<input checked="" type="checkbox"/>	2. I certify that all food products proposed by my company are 100% produced in the U.S., or processed in the U.S. with the final processed product including over 51% of food that was grown in the U.S. with the EXCEPTION of the following items listed below

ATTENTION VENDOR: RETURN WITH YOUR PROPOSAL

By signing this document, the FSMC is certifying that the product is not produced or manufactured in the U.S. in sufficient and reasonably available quantities of satisfactory quality or the FSMC has provided sufficient documentation for the SFA to determine whether or not the cost of the U.S. product is significantly higher than the non-domestic product.

Company Name: Volunteers of America SELA dba Fresh Food Factor

Signature: Waris Vigee Title: President/CEO

Date: August 3, 2023

The SFA has researched all items the FSMC is proposing to use that are non-domestic and determined that the product is not produced or manufactured in the U.S. in sufficient and reasonably available quantities of a satisfactory quality or that the cost of the U.S. product is significantly higher than the non-domestic product and is approving the use of the non-domestic product. The following website for the Agricultural Marketing Service can provide guidance to the SFA in determining if domestic products are available <https://www.ams.usda.gov/market-news/fruits-vegetables>.
