

BID# 13-18 WELDING AND CARPENTRY SUPPLIES BID FORM

Item	Item	Estimated	Unit
Number	Description	Quantity	Price
65	Bosch 1-1/8 inch SDS 8-Amp Keyless Rotary Hammer Drill Item Specification: includes RH328VC rotary hammer, auxillary handle, depth gauge and carring case, equipped with SDS-plus shank system for use with bits up to 1-1/8 inch in diameter, 8-amp motor with variable speed trigger, tool-free bit changes, automatic bit locking, dust protection, max impact energy transfer rate, multi-function selector, 3 modes of operation: rotary hammer, hammer only, and rotation only, 8-foot cord, vario-lock which allows the tool to placed in neutral, active vibration control, integral clutch, D-handle, side handle, thin wall core bit capacity, chisel lock positions, 3.125 inch core bit capacity, UL and CSA Safety Listing, keyless chuck, 900 max RPM	1	289.00
66	Dewalt 2.25-HP Variable Speed Combo Fixed/Plunge Corded Router Item Specification: combination fixed/plunge base corded router, easy-to-reach plunge lever and switch, 12-amp motor with soft start, electronic variable speed with full feedback control, micro-fine depth adjustment ring, rubber overmolded side knobs, spindle lock button, heavy-duty, precision-machined, die-cast aluminum base and motor housing, integrā through-the-column dust collection (95% collection), adjustable tool-free steel-motor cam lock, above table height adjustment, accessories included, 24000 max RPM, 1/4 and 1/2 inch collet size, includes bag case, 96 inch cord length, UL and CSA Safety Listing	1	219.00
67	Dewalt 1.25-HP Variable Speed Fixed Corded Router Item Specification: soft-starting motor, full-time electronic feedback, variable speed control, adjustment ring, dual LEDs, clear sub-base, large low pressure spindle lock button, allows up to 1.5 inch of depth travel with standard base, extended sub-base, extended 8-slot 1/4 inch collet, UL Safety Listing, 27000 RPM, case not included	5	159.00
68	Dewalt Variable Speed Corded Metal Shears Item Specification: 6.5 amp, all ball-bearing motor, head swivels 360 degrees, variable speed, reverisble dual cutting-edge side blades, 3 year limited warranty	1	221.90
69	Dewalt 3-Amp ROS Orbital Sanders Item Specification: variable speed, rubber over-mold in all critical areas, separate counterweight design, improved dust-sealed switch, improved dust collection and interfacing with vacuum locking system, dust bag contains 1-hand locking system, 12000 surface feet / orbits per minute, sanding pad, UL and CSA Safety Listing, Number 8 hole hook and loop, bag case included	6	99.00
70	3M Clear Indoor Saftey Glasses Item Specification: 3M Clear Indoor Saftey Eyewear, rimless frame, wraparound frame design, anti-scratch coating on lens, impact-resistant lenses, capability to absorb up to 99.9% UV, meets ANSI Z87.1-2010 requirements and OSHA standards	30	7.97
71	Easy Rack SAC-8aa, 48 inch arms, Single Sided Cantilever Lumber Rack	1	73.99
72	Easy Rack SAC-12aa, 24 inch arms, Single Sided Cantilever Lumber Rack	2	42.99
73	Easy Rack SAC-10aa, 12 inch arms, Single Sided Cantilever Lumber Rack	1	32.99
