Schrenk Endom & Flanagan, LLC [SEF], has provided Civil Engineering services in Louisiana and the Gulf South for 70 years. SEF was established in 1954. The firm has successfully completed over 7,000 projects in that timeframe, with many of the projects located within the State of Louisiana. Many of the managing members and employees of SEF were born and raised in Jefferson Parish. The principals have over 80 years of combined experience working for this regionally recognized engineering consulting firm. This experience allows SEF to provide our clients with regional experience on a personalized, local level. The combination of experience and good technical engineering with a commonsense approach to construction provides designs that are easily constructed and within project budgets.

O. To the best of my knowledge, the foregoing is an accurate statement of facts.
