The Owner may reject any and all bids for just cause. Such action will be in accordance with Title 38 of the Louisiana Revised Statutes. Any bid may be withdrawn prior to the above scheduled time for the opening of bids or authorized postponement thereof. Any bid received after the time and date specified shall not be considered. No bidder may withdraw a bid within 30 days after the actual date of the opening thereof.

2. PREPARATION OF BID

When called for on the Bid Form, prices should be shown both in words and in figures. In the event of a discrepancy between the prices quoted in words and those quoted in figures in the bid, the words shall govern. In the event that the Bidder does not show prices in both words and in figures, the bid shall be tabulated in accordance with the form of the price provided.

Each bid must be submitted in a sealed envelope bearing on the outside the name of the bidder, his/her address, and the name of the contract for which the bid is submitted. If forwarded by mail, the sealed envelope containing the bid must be enclosed in another envelope addressed as specified in the bid form.

Bidders should avoid making mistakes, delineations or other corrections on bids, since such may make it difficult for the Parish Government to ascertain the information contained in the bid. In the event that a Bidder must make such corrections to a bid, the corrections should be made in such a manner that the information contained on the Bid Form can be fairly and reasonably discerned and ascertained by the Parish Government. The Parish Government shall have the right to reject any bid in the event that it is unable to reasonably determine the information and bids supplied by the Bidder therein.

3. TELEGRAPHIC MODIFICATION

Any bidder may modify his/her bid by telegraphic communication at any time prior to the scheduled closing time for receipt of bids, provided such telegraphic communication is received by the Owner prior to the closing time, and provided further, the Owner is satisfied that a written confirmation of the telegraphic modification over the signature of the bidder was mailed prior to the closing time. The telegraphic communication should not reveal the bid price but should provide the addition or subtraction of other modification so that the final prices or terms will not be known by the Owner until the sealed bid is opened. If written confirmation is not received within two days from the closing time, no consideration will be given to the telegraphic modification.

4. METHOD OF BIDDING

The Owner invites a unit price bid on the **Off-Road Diesel (Contract #1), Regular Unleaded Gasoline (Contract #2) & Diesel (Contract #3)**.

5. QUALIFICATIONS OF BIDDER

The Owner may make such investigations as he/she deems necessary to determine the ability of the bidder to perform the work, and the bidder shall furnish to the Owner all such information and data for this purpose as the Owner may request. The Owner reserves the right to reject any bid if the evidence submitted by, or investigation of, such bidder fails to satisfy the Owner that such bidder is properly qualified to carry out the obligations of the contract and to complete the work contemplated therein. Conditional bids are discouraged.

6. TIME OF DELIVERY

The successful bidder shall make available and shall deliver As-needed @ quantities of fuel within **24 hours (twenty-four) hours** of the placement of an order. The Owner reserves the right to cancel contract if, in the opinion of the Owner, materials are not being made available within a reasonable time.

7. ADDENDA AND INTERPRETATIONS

No interpretation of the meaning of the specifications or other pre-bid documents will be made to any bidder orally.

Every request for such interpretation should be in writing addressed to **Acadia Parish Police Jury**, and to be given consideration **must be** received at least three days prior to the date fixed for the opening of bids. Any and all such interpretations and any supplemental instructions will be in the form of written addenda to the specifications which, if issued, will be mailed by certified mail with return receipt requested to all prospective bidders (at the respective addresses furnished for such purposes).

Failure of any bidder to receive any such addendum or interpretation shall not relieve such bidder from any obligation under his/her bid as submitted. All addenda so issued shall become part of the contract documents.

8. LAWS AND REGULATIONS

The bidder=s attention is directed to the fact that all applicable State laws, municipal ordinances, and the rules and regulations of all authorities having jurisdiction over construction of the project shall apply to the contract throughout, and they will deem to be included in the contract the same as though herein written out in full.
