**INSTRUCTIONS FOR CERTIFICATION REGARDING
DEBARMENT SUSPENSION AND OTHER RESPONSIBILITY MATTERS**

1. By signing and submitting this CERTIFICATION REGARDING DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS, the certifying party stipulates that the certification is made in strict accordance with these instructions.
2. The inability of a person to provide the certification required will not necessarily result in disqualification. The certifying party shall submit an explanation of why it cannot provide the certification set out on this form. The certification or explanation will be considered in connection with the determination whether to disqualify the certifying party. However, failure of the certifying party to furnish a certification or an explanation shall disqualify such certifying party from participation in the Project.
3. The certification is a material representation of fact upon which reliance will be placed when this transaction/contract is entered into. If it is later determined that the certifying party knowingly rendered an erroneous certification, in addition to other remedies available, the transaction/contract may be terminated for cause or default and the certifying party shall be liable for all costs, expenses and damages including attorney fees.
4. The certifying party shall provide immediate written notice to the Owner if at any time the certifying party learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
5. The certifying party agrees by submitting this certification that, should the proposed transaction/contract be entered into, the certifying party shall not knowingly enter into any lower tier transaction with a person or entity who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this Project, unless authorized by the Owner in writing.
6. The certifying party further agrees by submitting this certification that it will obtain an identical certification from all lower tier contractors/subcontractors.
7. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required. The knowledge and information of the certifying party is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
8. If the certifying party knowingly enters into a lower tier transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this Project, in addition to other remedies available, the transaction/contract may be terminated for cause or default and the certifying party shall be liable for all costs, expenses and damages including attorney fees.
