Addendum No. 2
April 14, 2014

QUALIFICATIONS OF BIDDERS

- A. All Bidders on the project must meet the provision of Louisiana Bid Law which requires a current Louisiana Contractor's Licenses for submitting a Bid for this project.
- B. The following reasons may be considered as being sufficient for the disqualification of a Bidder and the rejection of his Bid Proposal or Proposals; however, this list is not all inclusive:
 - 1. More than one Bid received for the same Work from an individual, firm or partnership, corporation, or association under the same or different names will not be considered. Reasonable grounds for believing that any Bidder is interested in more than one Bid for the same work will cause the rejection of all such Bids in which the Bidder is interested.
 - 2. If there are reasonable grounds for believing that collusion exists among the Bidders, the Bids of participants in such collusion will not be considered. Participants in such collusion will receive no recognition as Bidders for any future work until any such participant shall have been reinstated as a qualified Bidder.
 - 3. Default or delinquency and failure to have completed on time any contract in force with the Owner at the time of Bid opening.
 - 4. If the Bidder has withdrawn his Bid from consideration after the Bids were opened at a previous Bid opening under this same project.
 - 5. For failing to pay, or satisfactorily settle, all bills due all persons furnishing labor, equipment and supplies on former contracts; or for being in arrears on existing contracts; or being in litigation with the Acadia Parish Police Jury; or having defaulted on a previous contract.
- C. Should a Bidder be disqualified, a written notice will be given which contains specific language stating the proposed disqualification with all reasons therefore.
