reliability, capability, reputation, and expertise of the proposing vendors. The St. Charles Parish Public Schools reserves the right to terminate the selection process at any time and to reject any or all bids.

- 3) The St. Charles Parish Public Schools reserves the right to accept the bid that is, in its judgment, the best and most favorable to the interests of the St. Charles Parish Public Schools and to the public; to reject the low price bid; to accept any item of any bid; to reject in whole or in part any and all Bids; and to waive any and all technicalities, irregularities, and informalities in any Bid submitted or in the Request for Bid process; provided; however, the waiver of any prior defect or informality shall not be considered a waiver of any future or similar defect or informality. Proposing vendors should not rely upon, or anticipate, such waivers in submitting their Bid.

If the bid item delivered does not meet specifications or is received in an unsatisfactory condition or is damaged or is in an unusable condition or if service is unsatisfactory, the bidder/contractor must pick up item immediately and replace to each SFA member district's satisfaction at no additional charge or issue full credit.

In the event of a tie bid, Title 34, Chapter 5, Section 529 of the Louisiana Administrative Code shall prevail.

**INSTRUCTIONS TO BIDDERS FOR COMPLETING CERTIFICATION FORM**

NOTE: Each responsive bidder must include this certification statement with its bid on each contract equaling or exceeding \$25,000 or any contract for audit services regardless of amount.

1. By signing and submitting this form, the prospective lower tier participant is providing the certification set out on the reverse side in accordance with these instructions.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. *The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded*, as used in this clause, have the meanings set out in the Definitions and Coverage sections of the U. S. Department of Agriculture regulations 7 CFR 3017 implementing Executive Order 12 549. (Contact the person to whom this proposal is submitted for assistance in obtaining a copy of those regulations.)
5. The prospective lower tier participant agrees by submitting this form that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
6. The prospective lower tier participant further agrees by submitting this form that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion –Lower Tier Covered Transaction" without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification that a prospective participant in a lower tier covered transaction has not been debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless the participant knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Non-procurement List.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under Paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
