AUDITS

Contractor does not agree to any inspection, audit, or copy of any of Contractor's confidential, proprietary, or trade secret information, data, or documents including, without limitation, financials.

THIRD PARTIES

Contractor is not obligated to contract with any 3rd party vendors (e.g. insurance compliance vendors, payment processing vendors, etc.), or to comply with or execute any 3rd party vendor forms, terms and conditions, or agreements regarding Jefferson Parish's vertical transportation equipment or Contractor's performance under the Contract. While Contractor is not obligated, to the extent that Contractor works with any such 3rd party vendor, it will be for administrative purposes only and any costs associated will be passed through to Jefferson Parish. In the event of any conflict, ambiguity, or inconsistency between the terms and conditions of the Contract and any 3rd party vendor agreement, form, or terms and conditions, the Contract shall prevail.

CONFIDENTIALITY

To the extent that a party receives ("Receiving Party") any non-public data, information and other materials from the other party ("Disclosing Party") that is disclosed pursuant to the Contract (hereinafter "Confidential Information"), the Receiving Party shall not with respect to such Confidential Information (1) disclose the Confidential Information to any third party, (2) use the Confidential Information for its own benefit, or (3) use the Confidential Information for the benefit of others. The Receiving Party shall not reverse engineer, reverse assemble, or decompile Confidential Information. Confidential Information may be disclosed to (i) contract workers, consultants and agents of the Receiving Party or (ii) the owner of the subject equipment at the subject premises who have a need to know for the benefit of Contractor and who have executed agreements with the Receiving Party obligating them to treat such information in a manner consistent with the terms of the Contract.

BACKGROUND CHECKS AND TESTS

Therefore, Contractor cannot agree to authorize any party to complete criminal background checks, searches, or tests on any Contractor employees. Contractor will request IUEC represented employees furnishing Work for Jefferson Parish to agree to voluntarily submit to a criminal background check and agrees not to staff with employees who do not consent to same to the extent that Jefferson Parish requires background checks. COMMERCIAL ITEMS CLARIFICATION

The components, equipment and services proposed by Contractor are commercial items as defined by the Federal Acquisition Regulations ("FAR") and the prices in any resulting contract and in any change proposal are based on Contractor's standard commercial accounting policies and practices which do not consider any special requirements of the government cost principles and do not meet the requirement of Part 31 of the FAR. Contractor agrees only to perform a contract for the sale of a commercial item on a fixed price basis. In addition, Contractor will not agree to submit or certify to any cost pricing data nor does Contractor agree to any requirements

to establish price reasonableness under FAR Part 15 or to meet any Cost Accounting Standards. In stating its position, Contractor refers to FAR Part 12- "Acquisition of Commercial Items." In addition, no federal government procurement regulations, such as FARs or DFARs, shall apply to the Contract except those regulations expressly accepted in writing by Contractor.

MINORITY/WOMEN/DISABLED VETERAN-OWNED BUSINESS ENTERPRISE

The materials and components that comprise Contractor's products are procured from a variety of sources located throughout the world, which allows Contractor to provide its customers with high quality equipment at competitive prices, but limits Contractor's ability to meet certain percentages of M/W/DBE set aside goals. Contractor is committed to achieving diversity within Contractor's workforce and in Contractor's supply base, however, Contractor cannot commit to specific set aside targets in the Contract.

UNION:

Contractor has a contract with the International Union of Elevator Constructors (IUEC) and therefore cannot agree to be bound by any provision that modifies or conflicts with the union labor agreement.

COVID VACCINE MANDATES

Contractor will not accept any Covid vaccine mandates unless Contractor is given the opportunity to review the requirements and can assure Contractor can fully comply. Non acceptance of any Covid vaccine mandates by Contractor will not be cause for breach of contract or any other cause of action (damages, penalties or otherwise).
