RE: Envirosight Video Pipeline Inspection Systems

To whom it may concern:

Envirosight, LLC has made a diligent effort to align itself with the premier distributors in the underground infrastructure maintenance equipment industry. To that end, we have partnered with the Green Equipment Company headquartered in the State of Texas to provide our customers equipment, parts, and after sale service.

Please accept this letter as notice that Green Equipment Company of Fort Worth, Texas is the sole source for all new video pipeline inspection equipment, accessories and software provided by Envirosight, LLC for the state of Texas and Louisiana. These systems include, but are not limited to, Rovver, Rovver X, Rovver X Sat II, Quickview airHD, JetScan, Cleverscan, Quickview 360, and Verisight Ultra.

Further, Green Equipment Company is the exclusive parts and certified service provider for all Envirosight equipment and accessories in the same areas.

Please feel free to contact me with any questions or concerns that may arise.

Regards,

Robert C. Schweitzer
