HUMAN RESOURCE MANAGEMENT QUESTIONNAIRE

MEDICAL REVIEW OFFICER SERVICES

Questions are to be answered by prospective professional service contract providers. If you have subcontractors, these questions must also be answered by each subcontractor.

Jefferson Parish requires that all drug and/or alcohol testing be conducted in a SAMHSA Certified Lab according to the Mandatory Guidelines for Federal Workplace Drug Testing Programs.

Jefferson Parish's drug and/or alcohol testing program requires testing of all applicants, random testing of safety-sensitive employees, post-accident testing and testing for reasonable suspicion as well as medication review. The Parish's policy provides medical review of all negative and positive test results including all applicants. On average 2000 tests per year are conducted under the Parish's program.

PLEASE DESCRIBE IN DETAIL:

1. Please describe in detail the Medical Review Officer's educational background and work experience as a licensed physician in the State of Louisiana to date.
2. Please attach copies of all university diplomas and degrees, professional licenses and certificates, and curriculum vitae.
3. Please state whether you presently hold a certificate as a Medical Review Officer from the American Association of Medical Review Officers or similar organization, and the date upon which certification was received.
4. Please list the names, dates and sponsors of seminars you have attended pertaining to substance abuse, drug testing and the role and responsibilities of a Medical Review Officer in the last five years, and please state the number of hours of continuing education units you received for attendance.
5. Jefferson Parish employees have the right to file appeals as a result of disciplinary action taken against them due to violations of the Substance Use Policy which would require the Medical Review Officer to be available to testify at all such hearings when necessary and from time to time may require testimony to be given in a court of law, personnel hearing or unemployment compensation hearing. Please identify all state and/or Federal courts, or civil service appeals in which you have been qualified as an expert witness and identify the fields of expertise in which you have been qualified in the last two years.
6. Please attach copies of your articles of incorporation and/or articles of partnership and/or other

- documentation evidencing the current legal status of your business.
7. Please supply the name, address, type of business, size of company, phone number, and contact individual for three of your local clients and the total number of clients you have had for the last two years relative to providing Medical Review Officer services.
 - ✓ 8. With respect to your employment of a Medical Review Officer with the Jefferson Parish Substance Use Program, please explain in detail: Your office procedures to review, interpret, and evaluate the drug test results;
 - A. The location of your office(s);
 - B. The number of employees working for you, in what capacity, job titles;
 - C. Your annual office personnel turnover rate;
 - D. Describe methods utilized to obtain results from the laboratory and who in your office will receive test results from the laboratory;
 - E. Explain methods used to protect the confidentiality of the test results;
 - F. If a prospective or current employee test positive, please explain your procedure for notification and investigation of the test results and your protocol of medical interviews to determine whether an alternate medical explanation for a positive test result exists. What methods are used to report the test results to the Parish;
 - G. How long after receiving the test results from the laboratory will it take you to interpret and evaluate the test results and report your findings to the Parish.
 - ✓ 9. During the last two years, please describe any work you have performed as a Medical Review Officer that resulted in litigation for you or your client and describe the outcome/current status.
 - ✓ 10. Please state whether you are directly or indirectly affiliated/employed with any drug testing laboratories. If so, please identify the laboratories by name, address, and contact individual, and please explain your relationship.
 - ✓ 11. Please indicate if you are able to provide afterhours and weekend services.
