Affiant further said:

Debt Disclosures

(Choose A or B, if option A is indicated please include the required attachment):

Choice A _____ Attached hereto is a list of all debts owed by the affiant to any elected or appointed official of the Parish of Jefferson, and any and all debts owed by any elected or appointed official of the parish to the Affiant.

Choice B ^x _____ There are NO debts which would require disclosure under Choice A of this section.

Affiant further said:

That Affiant has employed no person, corporation, firm, association, or other organization, either directly or indirectly, to secure the public contract under which he received payment, other than persons regularly employed by the Affiant whose services in connection with the construction, alteration or demolition of the public building or project or in securing the public contract were in the regular course of their duties for Affiant; and

That no part of the contract price received by Affiant was paid or will be paid to any person, corporation, firm, association, or other organization for soliciting the contract, other than the payment of their normal compensation to persons regularly employed by the Affiant whose services in connection with the construction, alteration or demolition of the public building or project were in the regular course of their duties for Affiant.

Affiant further said:

Affiant personally has not been convicted of, nor has he/she entered into a plea of guilty or nolo contendere to any of the crimes or equivalent federal crimes listed below. No individual partner, incorporator, director, manager, officer, organizer, or member, who has a minimum of a ten percent ownership in the Bidding Entity, has been convicted of, or has entered a plea of guilty or nolo contendere to any of the crimes or equivalent federal crimes listed below. A conviction of or plea of guilty or nolo contendere to the following state crimes or equivalent federal crimes shall permanently bar any person or the bidding entity from bidding on public projects:

- (a) Public bribery (R.S. 14:118)
- (b) Corrupt influencing (R.S. 14:120)
- (c) Extortion (R.S. 14:66)
- (d) Money laundering (R.S. 14:230)

A conviction of or plea of guilty or nolo contendere to the following state crimes or equivalent federal crimes shall bar any person or the bidding entity from bidding on public projects for a period of five years from the date of conviction or from the date of the entrance of the plea of guilty or nolo contendere:

- (a) Theft (R.S. 14:67)
- (b) Identity Theft (R.S. 14:67, 16)
- (c) Theft of a business record (R.S. 14:67.20)
- (d) False accounting (R.S. 14:70)
- (e) Issuing worthless checks (R.S. 14:71)
- (f) Bank fraud (R.S. 14:71.1)
- (g) Forgery (R.S. 14:72)
- (h) Contractors; misapplication of payments (R.S. 14:202)
- (i) Malfeasance in office (R.S. 14:134)

The five-year prohibition provided for in this section shall apply only if the crime was committed during the solicitation or execution of a contract or bid awarded pursuant to these provisions. If evidence is submitted substantiating that a false attestation has been made and the project must be readvertised or the contract cancelled, the awarded entity making the false attestation shall be responsible to the public entity for the costs of rebidding, additional costs due to increased costs of bids and any and all delay costs due to the rebid or cancellation of this project.

[The remainder of this page is intentionally left blank.]

Affiant further said:

- (1) Entity is registered and participates in a status verification system to verify that all employees in the State of Louisiana are legal citizens of the United States or are legal aliens.
- (2) Entity shall continue, during the term of the contract, to utilize a status verification system to verify the legal status of all new employees in the State of Louisiana.
- (3) Entity shall require all subcontractors to submit to the Entity a sworn affidavit verifying compliance with statements (1) and (2).

CERTIFICATION

STATE OF NEW YORK
COUNTY OF NEW YORK. SS.

The undersigned Dina Daskalakis hereby certifies:

That the original resolution, of which the following is a true and correct copy, was duly adopted by unanimous written consent of the Board of Directors of Hudson Insurance Company dated July 27th, 2007, and has not since been revoked, amended or modified:

"RESOLVED, that the President, the Executive Vice Presidents, the Senior Vice Presidents and the Vice Presidents shall have the authority and discretion, to appoint such agent or agents, or attorney or attorneys-in-fact, for the purpose of carrying on this Company's surety business, and to empower such agent or agents, or attorney or attorneys-in-fact, to execute and deliver, under this Company's seal or otherwise, bonds obligations, and recognizances, whether made by this Company as surety thereon or otherwise, indemnity contracts, contracts and certificates, and any and all other contracts and undertakings made in the course of this Company's surety business, and renewals, extensions, agreements, waivers, consents or stipulations regarding undertakings so made; and

FURTHER RESOLVED, that the signature of any such Officer of the Company and the Company's seal may be affixed by facsimile to any power of attorney or certification given for the execution of any bond, undertaking, recognizance, contract of indemnity or other written obligation in the nature thereof or related thereto, such signature and seal when so used whether heretofore or hereafter, being hereby adopted by the Company as the original signature of such officer and the original seal of the Company, to be valid and binding upon the Company with the same force and effect as though manually affixed."

THAT the above and foregoing is a full, true and correct copy of Power of Attorney issued by said Company, and of the whole of the original and that the said Power of Attorney is still in full force and effect and has not been revoked, and furthermore that the Resolution of the Board of Directors, set forth in the said Power of Attorney is now in force.

Witness the hand of the undersigned and the seal of said Corporation this 08 day of 01, 2024.

Viking Industrial Painting (V.I.P.) was established in 2001 in Northern Iowa as an industrial tank painting company, specializing in the Water Tower Industry. For 22 years Viking has actively collaborated with engineers, third party inspectors, and tank owners to renovate and protect their steel tanks. Viking has also worked with tank maintenance providers and new fabricators completing the field painting of the new tank construction process.

Viking Industrial Painting has been successful due to our attention to detail and our motto “To do the right thing”. Because of this motto and our desire to take care of both our customers and our team members, Viking Industrial Painting has maintained a great reputation as a premier tank painting company.

Now located in Omaha, Nebraska with service representatives in Nebraska, South Dakota, Iowa, Illinois, Missouri, Kansas, Arkansas, Colorado, Oklahoma, and Texas we continue to grow our company through those same values. We offer not only quality tank painting and repair, but also short-term and long-term maintenance plans for all styles of water tanks. We take a consultative approach to develop a plan that proactively protects your tank and allows for financial planning and fixed expenses to ease annual budgeting.

Viking Industrial Painting has invested in our team on both the Sales and Operational sides of our company to ensure our customers are taken care of from initial consultation to the completion of your project. We offer NACE Level 3 certified coatings inspection and work closely with AWWA to stay current with the ever-changing water industry. We sit on several of the National AWWA Tank Standard committees to help educate tank owners with best practices on how to maintain and operate their steel water tanks. Viking Industrial Painting has many years of Tank and Painting experience to help plan and execute your tank maintenance project.

John Snodgrass—Principal

John has worked in the tank maintenance business since 2002. He has held positions from a local Sales Representative to all levels of Sales Management. John is a NACE Level 3 Coatings Inspector and works with AWWA on a National level for both the D101 Tank Inspection Standard and the M42 Tank Reference guide. He has provided training on a National Level and with many State AWWA and Rural Water Associations, educating people about the importance of Tank Maintenance and Water Quality. John attended Pittsburg State University and served in the United States Marines Corp before starting in the tank industry.

Rory Sudbeck—Principal

Rory grew up in the industrial painting business as his father owned an industrial painting business for many years. Rory worked with his father to learn the business before leaving home to attend Bellevue University. After college Rory worked and then became part owner of a firm representing and distributing Thnemec Coatings in Nebraska, Iowa, and South Dakota. Rory worked closely with engineers, contractors, and owners to ensure proper surface prep and coating specification/application with Thnemec for over 12 years before deciding to specialize in the water tank industry.

Kirt Ervin, PE – Chief Operating Officer

Kirt Ervin is the Chief Operating Office for Viking Industrial Painting. Kirt is a proven innovator in the water industry helping communities solve challenging water issues and introducing new technologies to the US market, including ice pigging and in-tank Trihalomethane Removal Systems. He has been in the water industry for the past 28 years, spending 20 of those years in various roles for the largest tank maintenance company in the country. In his most recent engagement as Region Vice President for Inframark, he oversaw the Contract Operations of large and small communities throughout the Midwest. Kirt has an engineering degree from Washington University in St. Louis, MO, and MBA from Southern Illinois University-Edwardsville. He is a licensed civil engineer in over a dozen states and holds a NACE Level 3 Certified Coatings Inspector certification.

Ben Rinken—Director of Innovation and Technology

Ben is a graduate of the University of Sioux Falls and a construction professional with ten years of experience. He has served in multiple capacities in the water storage industry including field work, construction management, quality control, safety management, and project supervision. Ben uses these skills to develop and support our team and increase efficiencies. He is both NACE-Certified Coating Inspector Level 3 and SSPC-Lead Paint Removal (C3) Certified. Ben is passionate about efforts to continuously improve upon and streamline business practices while simultaneously respecting the product, craft, and people involved with executing it.

Carter Spoelstra - Director of Business Development

Carter has been in the water tank industry his entire professional career. He started in 1997 with Pittsburgh Des Moines Steel (PDM) and worked for three different tank construction companies. He has served many different capacities over his career including draftsman, team leader, estimator for water and industrial storage tanks, estimating manager, and sales manager. Carter works on a national level for both the AWWA D102 Coating Steel Water Storage Tanks standard and the AWWA D101 Standard for Inspecting and Repairing Steel Water Tanks. He has also been a presenter for STI/SPFA Steel Tank Steel Tank Seminars across the country. If you have a coatings project out for bid or one in the planning stages, please reach out to discuss with Carter.

Brandon VanderMey – Director of Sales

Upon graduation from St. Cloud State University in central Minnesota, Brandon began his career with the Sherwin Williams Paint Company. He held several positions over 17 years with Sherwin Williams, including Store Manager, Professional Coatings Sales Representative, and Protective and Marine Coatings Sales Representative. In 2016, Brandon began working specifically in the water tank maintenance industry, working primarily with municipalities and rural water districts in the upper Midwest. Brandon is a NACE Level 2 Coatings Inspector and enjoys consulting with his present and future clients to ensure their tanks are safe, sanitary, and maintained to maximize their overall service life.

Serena Stach—Controller

Serena began her career with the Kiewit Corporation in 2001 working with subcontractors, bonding agents, and insurers to validate and maintain compliance with contractual obligations to both prime and sub-tier contracts. With full command of the contracts typically executed, she went on to work as a business manager overseeing all transaction accounting and operational reporting for multiple successful vertical building projects in the Nebraska area including TD Ameritrade Ballpark and several at Nebraska Medicine. Serena progressively advanced her career in business management until becoming the Area Business Controller for the largest region in Kiewit's vertical building segment. After a brief departure from the industry, she is most enthusiastic to return to her career roots with Viking. Her goal is to ensure Viking is as efficient as possible while providing the highest quality products to clients both internal and external.

Mike Maryott – Operations Manager

Mike is a graduate of the University of Nebraska and has been involved in construction projects for over a decade. A previous focus on sports and stadium projects worldwide, he brings international operations experience to our team. In the operations management role for Viking, he meshes that knowledge into the world of water tanks. Mike is responsible for overseeing all project managers and project delivery functions in the most efficient manner.

Kim Caldwell – Safety Engineer

With over 20 years of experience designing, implementing, and maintaining site safety programs Kim is integral to our dedication to safety. She provides weekly safety training for our crews and project managers as well as monthly training to all our staff. Kim has extensive experience with the OSHA Voluntary Protection Program, Solid & Hazardous Waste Management, and conducting industrial and/or office ergonomics assessments.

Catie Van Ornam – Business Supervisor

Catie started her career in payroll and hasn't left the field since. She processed in-house payroll in the transportation industry for 10 years. For the last 4 years she was employed at a workers compensation company that also offered full-service payroll processing for clients in various states. Her role included improving department efficiencies, hiring & training new specialists, and ensuring tax compliance in multiple states.

Jeff Gilbery – Inspector

Jeff has been in the tank industry from 2004 and spent 11 years as a maintenance foreman before spending the rest as a paint foreman and field superintendent. He spends a lot of his time on the road checking in on our sites ensuring all of our crews are supported with all the equipment needed to operate safely. Jeff is Responsible for keeping track of new, revised and withdrawn regulations and informing management personnel of the impact of regulatory changes on the company's operations and managing compliance environmental health and safety programs. He will provide both safety inspections and QA/QC inspections of project and projects sites..

Scott Jones—Equipment Manager

Scott has been in the tank and industrial coating industry for many years and works hand in hand with Monte to ensure successful projects and that we provide a safe and productive working environment for our team. Scott is also one of the nation's leading experts running and blasting with the Versa-Blaster. This is a self-contained piece of blasting equipment that can help with environmental concerns and increase blasting productivity.

Donnie Bullins—Field Superintendent

Donnie started working in the Industrial painting business in 1986 in Minnesota. He blasted and painted for a contractor for 10 years before deciding to start his own tank painting business with a partner in 1996. They owned and operated this business for 5 years until Monte decided to move to Northern Iowa and start Viking Industrial Painting in 2001. Monte owned and operated Viking as a successful company for many years before selling his company to John and Rory. Monte will continue to provide solid operational support to ensure a smooth transition and plans to stay on for several years.

Luan Ha – Project Manager

Luan was born in raised in Vietnam. He moved to the United States and attended college at SDSU where he graduated in 2015. Upon graduation Luan started as a project coordinator in the water tank industry. Viking was lucky to have him join our team in 2018 as a project manager. Luan works closely with Operations to ensure all tank projects are completed in a timely manner, to specification, and meeting our customers' expectations.

Jim Caldwell – Project Manager

Jim has been a project manager for almost 20 years. He is both NACE-Certified Coating Inspector Level 3 and SSPC-Lead Paint Removal (C3) Certified. His vast knowledge of project management, problem solving, and exceptional communication skills are an asset to Viking. Jim's organizational skills and ability to effectively task manage enable him to work on many projects at once.

Dominic Pedersen – Lead Estimator

Dominic attended Southeast Community College graduating under the construction program in 2013. From there, he worked in the construction field for two and half years on various residential projects. In 2015, he started working as an estimator for a commercial painting company in Lincoln, Nebraska. While working there, he gained a strong background in estimating and the painting industry. He also helped to implement bidding software within the company to utilize a more efficient estimating process.

Janice Lier – Estimator

Janice was born overseas in the Philippines but grew up on an Air Force Base in Croughton England. She moved to the US and made her home in Omaha, NE. She graduated from Millard South HS and studied at Omaha Metro Community College. Janice joined Viking in 2023 and enjoys challenging herself and learning new things.

2 - 10 ton Tuggers
200 ground anchors

Key Personnel

Rory Sudbeck – Owner / President

Rory was a co-owner of SGA the Nebraska, Iowa, and South Dakota Tnemec Paint Representatives for 12 years. His responsibilities included growing the Tnemec Brand in his territory and building his own business in that area. He spent his days educating engineers, painters, and end users on the benefits of protective coatings. His vast experience with different coating technology helped customers protect their assets proactively to extend service lives and help with aesthetics. After more than a decade in the coating industry he decided to take his experience into the contracting side of the business and has worked with his business partner to build Viking Painting into one of the preeminent tank painting contractors in the Country.

Tnemec Paint Representative 2005-2017

Viking Industrial Painting 2018-Current

John Snodgrass – Owner / Vice President

John has worked in the water tank industry since 2002. He has held positions from Salesman to Director of Sales for Utility Service Company in Atlanta, Georgia. After leaving Utility John became the Director of Sales for Maguire Iron in Sioux Falls, South Dakota. He has worked both actively in the State of Texas selling tank work and managing sales teams for the last 10 years. After 17 years in the tank business John with his partner bought Viking Painting and has taken an active role aggressively growing their business throughout the Country. John is an active NACE Level 3 Coatings Inspector and Voting member on the National D101 and M42 Standard committees to help engineers, operators inspect and maintain their water tanks.

Utility Service Company 2002-2014

Maguire Iron Inc. 2014-2018

Viking Industrial Painting 2018-present

Kirt Ervin – Chief Operating Officer

Kirt is a proven innovator in the water industry helping communities solve challenging water issues and introducing new technologies to the US market, including ice pigging and in-tank Trihalomethane Removal Systems. He has been in the water industry for the past 27 years, spending 19 of those years in various roles for the largest tank maintenance company in the country.

In his most recent engagement as Region Vice President for Inframark, he oversaw the Contract Operations of both large and small communities throughout the Midwest.

Kirt has an engineering degree from Washington University in St. Louis, MO, and MBA from Southern Illinois University-Edwardsville. He is a licensed civil engineer in over a dozen states and held a NACE Level 3 Certified Coatings Inspector certification.

Ben Rinken - Director of Innovation and Technology

Ben is a graduate of the University of Sioux Falls and a construction professional with nine years of experience. He has served in multiple capacities in the water storage industry including field work, construction management, quality control, and project supervision. Ben uses sound communication skills to keep information flowing and projects on track. He is both NACE-Certified Coating Inspector Level 3 and SSPC-Lead Paint Removal (C3) Certified. Having a proven record of providing effective quality control and a firm approach to problem solving, he quickly wins respect from subcontractors and field crews alike. Ben is passionate about efforts to continuously improve upon and streamline business practices while simultaneously respecting the product, craft, and people involved with executing it.

Maguire Iron Inc 2012-2017 Journey Construction 2017-2018

Viking Industrial Painting 2018-present

Carter Spoelstra - Director of Business Development

Carter has been in the water tank industry his entire professional career. He started in 1997 with Pittsburgh Des Moines Steel (PDM) and worked for three different tank erection companies. He has served many different capacities over his 23-year career including draftsman, team leader, estimator for water and industrial storage tanks, estimating manager, and sales manager. Carter sits on the AWWA D102 Coating Steel Water Storage Tanks committee and has also been a presenter for STI/SPFA Steel Tank Steel Tank Seminars across the country.

Pittsburgh Des Moines Steel 1997 - 2001 Chicago Bridge & Iron 2001-2014 Caldwell Tanks 2014-2020

Viking Industrial Painting 2020-present

Brandon VanderMey - Director of Sales

Brandon has been in the paint and water tower industry for 25 years. He brings a great understanding of how coatings products function. His vast knowledge of the water tower industry, calm management style, and work ethic make him a great asset to Viking. Brandon is NACE Level 2 Certified.

Sherwin Williams 1999 - 2016

Maguire Iron, Inc. 2016 - 2018

Viking Industrial Painting 2018 - present

Member  National Association of Surety Bond Producers.

January 20, 2023

RE: Viking Painting, LLC

To Whom It May Concern:

Gene Lilly Surety Bonds, Inc. is pleased to provide surety support for Viking Painting, LLC. We are in position to support single project requests in the \$5 million range with a \$30 million aggregate. This is by no means a limit but merely a guide. Viking Painting has a reputation of performing excellent work and operating with the highest levels of integrity. Our agency has the utmost confidence in their management ability, project delivery, and highly recommends them.

Viking Painting has an established surety relationship with Hudson Insurance Company, which is currently on the U.S. Treasury Listing of Certified Companies and has an A.M. Best rating of "A (Excellent)." Should Viking Painting be awarded a contract, we are in position to provide performance and payment bonds, following the review and acceptance of the contract under our normal underwriting conditions.

Please do not hesitate to contact me if you have any questions or if I can be of further assistance.

Best Regards,
GENE LILLY SURETY BONDS, INC.

Viking Painting, LLC

Re: Banking Reference

To Whom It May Concern:

This letter is to outline the banking relationship that exists between Pinnacle Bank and Viking Painting, LLC.

Viking Painting, LLC is an excellent customer of Pinnacle Bank. The company has always handled banking transactions and financial arrangements in an overall professional and timely manner without exception. Average company deposit account balances range in the mid six figures.

Pinnacle Bank has a revolving line of credit note to Viking Painting that was established in the normal course of business. The revolving line is secured by a blanket lien on company assets and accounts receivable. Payment history on all current and previous borrowing is excellent.

Viking Painting, LLC is a respected and valuable customer with an excellent reputation and financial history. Should you have any questions feel free to contact me at 402-697-5992 or by e-mail at jay.faylor@pinnbank.com.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jay Faylor", is written below the word "Sincerely,".

Viking Industrial Painting is proud to announce that their tank rehabilitation project for Rochester, MN has won Tnemec's Peoples Choice for the 2021 year. This was a full interior and exterior rehabilitation with containment. It was a uniquely challenging project due to the corn shape of the tank for rigging containment and the challenging logo application.

THANK YOU FOR VOTING: HERE'S YOUR PEOPLE'S CHOICE!

Since 2006, Tnemec has celebrated the innovative and creative uses of its coatings on water tanks with the annual Tank of the Year contest. Each year, tanks of all varieties from across the U.S. and Canada are narrowed down to determine the most impressive coatings projects in the water tank industry.

This year, nearly 300 water tanks were nominated, backed by some great communities and project teams from across the U.S. and Canada. But when all was said and done, only one tank received more than 5,000 votes from the public. We're happy to announce that the 2021 People's Choice is...

Rochester, MN

Congratulations to all nominations! We look forward to the next step of choosing Tnemec's Tank of the Year winner. We will now consider the People's Choice, along with 11 other Tnemec-determined finalists, for the contest crown and will announce the overall winner on Friday, Oct. 22. Come back then to see our finalists and check out the official 2021 Tank of the Year.

Team VIP

Viking Industrial Painting (V.I.P.) was established in 2001 in Northern Iowa as an industrial tank painting company, specializing in the Water Tower Industry. For over 17 years Viking has actively worked with engineers, third party inspectors, and tank owners to renovate and protect their steel tanks. Viking has also worked with tank maintenance providers and new fabricators completing the field painting of the new tank construction process.

Viking Industrial Painting has been successful due to our attention to detail and our motto "To do the right thing." Because of this motto, and our desire to take care of both our customers and our team members, Viking Industrial Painting has maintained a great reputation as the premier tank painting company in the Midwest.

Now located in Omaha, Nebraska, we continue to grow our company through those same values. We offer not only high caliber tank painting and repair, but also short-term and long-term maintenance plans for all styles of water tanks. We take a consultative approach to develop a plan that proactively protects your tank and allows for financial planning and fixed expenses for ease of annual budgeting.

Services

Cleaning and Inspection

V.I.P. offers Visual, ROV, Drained, and Drone Inspections to meet all your needs. We pride ourselves in providing professional inspections and reporting. Let us help with your tank Cleaning and Inspection needs.

Painting and Repairs

V.I.P. has the experience and expertise to handle whatever painting or repair project your tank needs. We can Blast, Overcoat, provide Containment, handle all types of steel repairs and more. So, no matter what type of project you have V.I.P. can be your solution.
