St. Charles Parish Public Schools
13855 River Road
Luling, LA 70070

Dear Review Committee:

We appreciate the opportunity to partner with St. Charles Parish Public Schools on the Website Hosting Solution project.

By partnering with Edlio, the district can join leading districts from across the country who count on us to deliver. Edlio creates custom designed websites with an intuitive content management system. Edlio consistently meets the complex requirements of the nation's leading districts with over 2,500 trusted clients.

As evidence of our qualification, note that our firm:

- Creates custom designed websites with an intuitive content management system
- Have proven success in districts in the Southern United States such as Texas, Florida, Louisiana, Georgia, Delaware, South Carolina, North Carolina, Oklahoma and Tennessee
- Are trusted for Website/CMS services by more than 2,500 K-12 schools and district nationwide
- Handle more than 2 million daily visitors and 3,000 requests per second.
- Guarantees a 99.9% up time to clients with multiple data centers and CDN network
- All our our website are mobile ready
- All of our websites are safe and secure, quick to load and operate
- Currently have a 98% overall satisfaction rate and 98% overall renewal rate
