Perrin has over 25 years experience in architecture and forensic architecture; the investigation and correction of buildings with persistent problems and failures. He has designed a wide variety of new facilities, as well as renovations and additions, including Education Facilities, Senior Centers, Airport Facilities, and Fire Stations. Perrin has recently completed his LEED Green Associate qualifications, and has put his Green architecture knowledge to use in his own house, reducing his electrical bills over 25%.

Mr. Ehlinger is currently our computer network manager, overseeing all of our software usage and upkeep, including managing and customizing Autocad, MS Excel and MS Word for more efficient use. He also has experience in 3D computer modeling, rendering, and animation.

Mr. Ehlinger is involved in all aspects of the production of Contract Documents. In addition, Mr. Ehlinger is involved in the areas of Project Management, Marketing, and Preliminary Project Designs as well as Construction Documents.
