1221 Elmwood Park Blvd., Suite 402
Jefferson, LA 70123

The purpose of this proposal is to express interest in assuming partnership with Parents as Educators and Early Head Start with Clover, while sharing factual information that demonstrates we are a qualified child/early care provider that can offer educational child/early care services that ensures the optimal physical, social, emotional, and intellectual development of every child enrolled in the center.

As a current Jefferson Parish Childcare facility with a full roster and waiting list at both, our plan is to provide/ implement the standards and practices in which we currently operate into the new facility.

Mission of New Horizon Learning Academy

"New Horizon Learning Academy will provide an age appropriate, enriched and safe environment that promotes quality programming and assists in the healthy growth and development of children and youth, ages six weeks to twelve years old."

Vision and Values

New Horizon Learning Academy offers developmentally appropriate activities for each age group from six weeks to twelve years of age, which promotes cognitive, social, emotional, and physical development. Our program will create a safe and healthy place that is warm and happy for children and youth to learn and grow. As we bridge the gap from home to school, we guide towards a positive self-image while building social skills in a group setting

New Horizon Learning Academy (NHLA) has been in child/early care services operation since July of 2019, with opening our most recent center New Horizon Learning Academy II this past October. We are a type three (3), four (4) star childcare center. NHLA utilizes tier one (1) curriculum Frog Street research base instruction. Additionally, we have a high proficient performance profile. To date we are in compliance with all state and health department requirements. NHLA currently operates a multi-cultural environment with students and staff of various/ different ethnicities, ages, cultures, languages, and socioeconomic groups. In an effort to promote fairness and consistency amongst our staff, we do outsource of Human Resources practices to a Human resources firm that provides an unbiased and consistent way of handling staff interactions, pay structure, performance standards and more.

At NHLA we pride ourselves on our partnerships and community engagement: we are in partnership with CCAP as well as Jefferson Parish Ready Start Network. Our community engagement includes projects with the Archdiocese (Society of St. Vincent De Paul) as well as Business strategy firm Craft it Consulting.

New Horizon is own and operated by Mrs. Jamalynn Morris. Mrs. Morris has 14 years of experience in the early childhood sector. She has been the owner and operator of both NHLA locations for 3 years now. In addition to the host of experience, Mrs. Morris also has and does the following:

1. A Bachelor of Art in Early Childhood education administration
2. Member of the Jefferson Chamber of Commerce where she uses this platform to advocate for childcare centers
3. Provides Consulting services to up and coming early childcare providers/ centers
4. Pathway certified trainer

NHLA would be honored to continue providing quality care for children in Jefferson Parish working very closely with Clover.

Respectfully,

Jamalynn Morris
