Louisiana is progressing toward a unified Early Childhood System, which was directed by Act 3 of the 2012 Regular Legislative Session. In the past the early childhood system has been too fragmented, resulting in too few children prepared to be successful in kindergarten. When fully implemented in 2015-2016, the local networks will expand access to high quality, publicly-funded early childhood programs to families across Louisiana to ensure more children enter school kindergarten ready.

Kinderland Academy Narrative Summary

Quality care offers children supportive, nurturing relationships with trusted teachers and a positive diverse learning experience. High quality early childcare and education promotes children's development learning and narrows socioeconomic, racial, and ethnic inequalities. While promoting parental employment and family self-sufficiency. A great early childhood program should demonstrate cognitive skills and physical development. Professional development in staff helps the classroom flourish. Staff taking ongoing educational courses on different learning and behavior styles are implemented into the classroom. Providing age-appropriate activities helping children develop skills they will need for success in school and in their lives outside of school, such as social, emotional and communication skills. Learning all about pre-literacy and math skills. Embracing different life concepts and an awareness of different environments and the roles of people in their world.

Staff Authorization

- ☒ Today, I have received a copy of the Summary Page and/or Statement of Deficiencies cited during the inspection of this center.
- ☒ I understand that deficiencies may place children in danger and could affect the license.
- ☒ I understand that an inspection report is not final until LDOE Licensing staff have reviewed the cited deficiencies. LDOE has the discretion to amend the Statement of Deficiencies after review of the inspection report.
- ☒ I understand that at LDOE's sole discretion, a follow-up inspection may be conducted when deficiencies are cited to determine whether the deficiencies have been corrected and maintained in a manner consistent with the minimum standards.

- ☒ I understand that any deficiency cited must be corrected, but correcting the deficiency does not withdraw the deficiency.
- ☒ I acknowledge that the actual names of staff members that have been noted throughout the inspection as S1, S2, C1, C2, O1, O2, etc. have been identified, discussed and provided to me during the exit interview.
- ☒ I acknowledge that an exit interview was conducted with the Licensing Specialist. If a deficiency was cited, the exit interview consisted of a review of each cited deficiency and how to correct it. The intent of each regulation cited was discussed with me, as well as how to comply and remain in compliance with the minimum standards.
- ☒ I understand that continued non-compliance with the minimum standards may result in enforcement actions up to and including the non-renewal or revocation of this center's license to operate.
- ☒ I understand that the LDOE website found at www.louisianabelieves.com contains information relating to the operation of licensed child care centers and should be checked periodically for new and updated information.
