

CS-7310P (20" & 24")

Engine Displacement (cc)	73.5
Engine Displacement (cu in)	4.49
Starting System	Standard
Ignition System	Digital ignition system
Oiling System	Automatic/Adjustable
Vibration Reduction System	Standard
Available Bar Lengths (in)	20, 24, 28, 32
Oil Capacity (fl. oz.)	12.2
Dry Weight (lb)	14.8
Sprocket Cover	Magnesium
Bar Type	PowerCut™
Handle	Aluminum with Rubber Overmold
Fuel Capacity (fl. oz.)	27.1
Warranty	5 year consumer / 1 year commercial

CS-501P (18")

Engine Displacement (cc)	50.2
Engine Displacement (cu in)	3.06
Starting System	Standard
Ignition System	Digital
Oiling System	Automatic/Adjustable (Clutch-Driven)
Vibration Reduction System	Standard
Available Bar Lengths (in)	16, 18, 20
Oil Capacity (fl. oz.)	9.5
Dry Weight (lb)	10.6
Sprocket Cover	Plastic
Bar Type	Pro-Lite®
Sprocket Type	Rim
Handle	Aluminum
Fuel Capacity (fl. oz.)	16.6
Warranty	5 year consumer / 1 year commercial

CS-355T

Engine Displacement (cc)	35.8
Engine Displacement (cu in)	2.19
Starting System	Spring-Assist
Ignition System	Digital
Oiling System	Automatic/Adjustable (Clutch-Driven)
Vibration Reduction System	Standard
Available Bar Lengths (in)	14, 16
Oil Capacity (fl. oz.)	8.2
Dry Weight (lb)	8
Sprocket Cover	Plastic
Bar Type	Pro91
Sprocket Type	Spur
Handle	Plastic
Fuel Capacity (fl. oz.)	11.2
Carburetor (w/Purge Pump)	Butterfly-Valve Diaphragm
Warranty	5 year consumer / 1 year commercial

Oregon R44 AdvanceCut Chainsaw Chain for 12 In. Bar - 44 Drive Links - Fits Stihl & Echo Models

SKU: 704557 Model: R44

Max Qty	99999		
Vendor	Oregon		
Brand	Oregon > AdvanceCut	Unit	EACH
UPC	00036577512288		

Description

Oregon AdvanceCut LubriTec Chainsaw Chain

The Oregon AdvanceCut Saw Chain is ideal for landscapers and homeowners using small, low powered saws, because it offers higher chain efficiency. The .043 In. gauge narrow kerf cutting systems increase efficiency since they need less power from the saw than standard cutting systems. This chain fits Echo, Makita, Husqvarna, Ryobi, Poulan and more.

Specifications

Description

Oregon AdvanceCut Replacement Chainsaw Chain Loops
 Durable, low-kickback, low-vibration chain helps reduce user fatigue for increased periods of work. Precision, heat-treated semi-chisel chain duo cuts smoothly with a higher tolerance for debris. Built-in Lubri-Tec automatic oiling system extends the life of your chain by delivering oil to key parts of the chain so you can work smarter with less downtime and maintenance. Built-in Lubri-Tec automatic oiling system extends the life of your chain by delivering oil to key parts of the chain so you can work smarter with less downtime and maintenance. Tough, long-lasting chrome outer layer and hardened rivets help reduce wear and allow for fewer chain adjustments.

**Generac DR Power PRO XL 9 In. Lawn & Garden Edger****SKU: 715056** Model: LE25190DMN

Max Qty	99999		
Vendor	Generac Power Systems		
Brand	DR Power	Unit	EACH
UPC	00843530008180		

Description**Generac DR Power 9 In. Gas Lawn Edger**

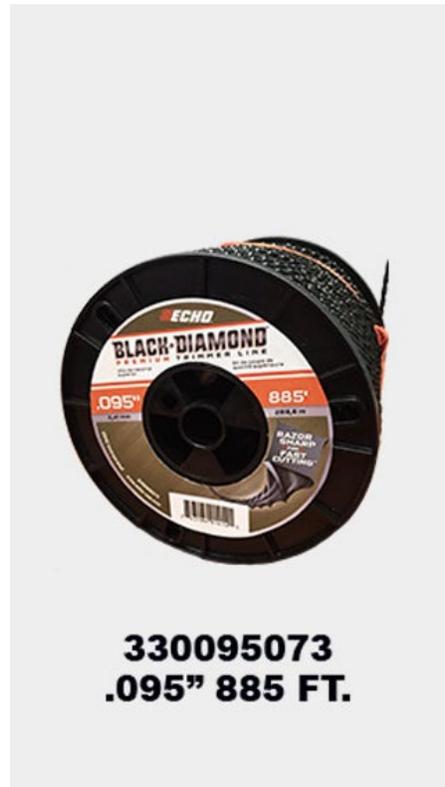

If you are ready to graduate from handheld edging tools as well as the arm fatigue and wobbly edges they so often produce, the DR Pro XL Lawn & Garden Edger is the tool for you. It features a 4-wheel platform that is much more stable than the more common 3-wheel models, and it's stacked with professional features. A curb hop wheel (rear right wheel) allows you to straddle a curb, with one wheel at street level, making it easy to track in a straight line and create precise cuts. For edging around flower beds, the cutting blade pivots 15 degrees in either direction so you can make attractive bevel cuts for containing mulch. You'll get a manicured look that will enhance your landscaping, and make your lawn care efforts shine. Engine: 2 years residential, 90 days commercial. Machine: 2 years residential, 90 days commercial.

Description**Troy-Bilt 21 In. Gas Lawn Mower**

Yard work has never been easier thanks to the commercial-grade power of the Troy-Bilt TB310B XP self-propelled walk behind lawn mower. The TB310B XP is powered by a 163cc Briggs & Stratton engine you can rely on for powerful performance, easier starting, extended use and reduced noise. Rear wheel drive provides improved control on hills, even when bagging. The 21-in. steel deck provides durability that's built to last and includes a deck wash for easy maintenance. Dual-lever height adjusters are conveniently located to quickly adjust the cutting height. Dispose of grass clippings with either the side discharge chute, the included 2.3 bushel bag, or the included mulch kit. S-blade design brings a consistent cut, and its unique S-shaped center hole ensures proper installation. With a reliable 3-year limited warranty, you can count on Troy-Bilt to help make yard work easier.
