Public Works Bid Affidavit Instructions

- **Affidavit is supplied as a courtesy to Affiants, but it is the responsibility of the affiant to insure the affidavit they submit to Jefferson Parish complies, in both form and content, with federal, state and parish laws.**
- **Affidavit must be signed by an authorized representative of the entity or the affidavit will not be accepted.**
- **Affidavit must be notarized or the affidavit will not be accepted.**
- **Notary must sign name, print name, and include bar/notary number, or the affidavit will not be accepted.**
- **Affiant MUST select either A or B when required or the affidavit will not be accepted.**
- **Affiants who select choice A must include an attachment or the affidavit will not be accepted.**
- **If both choice A and B are selected, the affidavit will not be accepted.**
- **Affidavit marked N/A will not be accepted.**
- **It is the responsibility of the Affiant to submit a new affidavit if any additional campaign contributions are made after the affidavit is executed but prior to the time the council acts on the matter.**

Instruction sheet may be omitted when submitting the affidavit

Public Works Bid

AFFIDAVIT

STATE OF Florida

PARISH/COUNTY OF Pinellas

BEFORE ME, the undersigned authority, personally came and appeared: _____

Lucas L. Pappas, (Affiant) who after being by me duly sworn, deposed and said that he/she is the fully authorized Managing Member of Southern Road & Bridge, LLC (Entity), the party who submitted a bid in response to Bid Number 50-00145055 to the Parish of Jefferson.

Affiant further said:

Campaign Contribution Disclosures

(Choose A or B, if option A is indicated please include the required attachment):

Choice A _____ Attached hereto is a list of all campaign contributions, including the date and amount of each contribution, made to current or former elected officials of the Parish of Jefferson by Entity, Affiant, and/or officers, directors and owners, including employees, owning 25% or more of the Entity during the two-year period immediately preceding the date of this affidavit or the current term of the elected official, whichever is greater. Further, Entity, Affiant, and/or Entity Owners have not made any contributions to or in support of current or former members of the Jefferson Parish Council or the Jefferson Parish President through or in the name of another person or legal entity, either directly or indirectly.

Choice B X there are **NO** campaign contributions made which would require disclosure under Choice A of this section.

Affiant further said:

Debt Disclosures

(Choose A or B, if option A is indicated please include the required attachment):

Choice A _____ Attached hereto is a list of all debts owed by the affiant to any elected or appointed official of the Parish of Jefferson, and any and all debts owed by any elected or appointed official of the parish to the Affiant.

Choice B X There are **NO** debts which would require disclosure under Choice A of this section.

Affiant further said:

That Affiant has employed no person, corporation, firm, association, or other organization, either directly or indirectly, to secure the public contract under which he received payment, other than persons regularly employed by the Affiant whose services in connection with the construction, alteration or demolition of the public building or project or in securing the public contract were in the regular course of their duties for Affiant; and

That no part of the contract price received by Affiant was paid or will be paid to any person, corporation, firm, association, or other organization for soliciting the contract, other than the payment of their normal compensation to persons regularly employed by the Affiant whose services in connection with the construction, alteration or demolition of the public building or project were in the regular course of their duties for Affiant.

Affiant further said:

Affiant personally has not been convicted of, nor has he/she entered into a plea of guilty or nolo contendere to any of the crimes or equivalent federal crimes listed below. No individual partner, incorporator, director, manager, officer, organizer, or member, who has a minimum of a ten percent ownership in the Bidding Entity, has been convicted of, or has entered a plea of guilty or nolo contendere to any of the crimes or equivalent federal crimes listed below. A conviction of or plea of guilty or nolo contendere to the following state crimes or equivalent federal crimes shall permanently bar any person or the bidding entity from bidding on public projects:

- (a) Public bribery (R.S. 14:118)
- (b) Corrupt influencing (R.S. 14:120)
- (c) Extortion (R.S. 14:66)
- (d) Money laundering (R.S. 14:230)

A conviction of or plea of guilty or nolo contendere to the following state crimes or equivalent federal crimes shall bar any person or the bidding entity from bidding on public projects for a period of five years from the date of conviction or from the date of the entrance of the plea of guilty or nolo contendere:

- (a) Theft (R.S. 14:67)
- (b) Identity Theft (R.S. 14:67, 16)
- (c) Theft of a business record (R.S. 14:67.20)
- (d) False accounting (R.S. 14:70)
- (e) Issuing worthless checks (R.S. 14:71)
- (f) Bank fraud (R.S. 14:71.1)
- (g) Forgery (R.S. 14:72)
- (h) Contractors; misapplication of payments (R.S. 14:202)
- (i) Malfeasance in office (R.S. 14:134)

The five-year prohibition provided for in this section shall apply only if the crime was committed during the solicitation or execution of a contract or bid awarded pursuant to these provisions. If evidence is submitted substantiating that a false attestation has been made and the project must be readvertised or the contract cancelled, the awarded entity making the false attestation shall be responsible to the public entity for the costs of rebidding, additional costs due to increased costs of bids and any and all delay costs due to the rebid or cancellation of this project.

[The remainder of this page is intentionally left blank.]

Affiant further said:

- (1) Entity is registered and participates in a status verification system to verify that all employees in the State of Louisiana are legal citizens of the United States or are legal aliens.
- (2) Entity shall continue, during the term of the contract, to utilize a status verification system to verify the legal status of all new employees in the State of Louisiana.
- (3) Entity shall require all subcontractors to submit to the Entity a sworn affidavit verifying compliance with statements (1) and (2).

TAX-EXEMPT PROJECTS

The Jefferson Parish Council has designated this project as "Sales Tax Exempt".

For this project, the Contractor shall not pay any state or local sales or use taxes on materials and equipment which are affixed and made part of the immovable property of the project or which is permanently incorporated in the project (hereinafter referred to as "applicable materials and equipment"). All purchases of applicable materials or equipment shall be made by the contractor on behalf of and as the agent of Jefferson Parish (Owner), a political subdivision of the State of Louisiana. No state and local sales and use taxes are owed on applicable materials and equipment under the provisions of Act 1029 of the 1991 Regular Session – Louisiana Revised Statute 47:301(8)(c). Owner will furnish to contractor a certificate form which certifies that Owner is not required to pay such state or local sales and use taxes, and contractor shall furnish a copy of such certificate to all vendors or suppliers of the applicable materials and equipment.

Contractor will be required to report to Owner the amount of taxes not incurred as a result of this exemption.

TE-1

**Designation of Construction Contractor
as Agent of a Governmental Entity
Sales Tax Exemption Certificate**

Jefferson Parish Government

Legal Name of Governmental Entity

, an agency of the United States government, or an agency, board, commission, or instrumentality of the State of Louisiana or its political subdivisions, including parishes, municipalities and school boards, does hereby designate the following contractor as its agent for the purpose of making sales tax exempt purchases on behalf of the governmental body:

Name of Contractor Southern Road & Bridge, LLC		
Address 715 Wesley Avenue		
City Tarpon Springs	State FL	ZIP 34689

This designation of agency shall be effective for purchases of component construction materials, taxable services and leases and rentals of tangible personal property for the following named construction project:

Construction Project Coating of Ramps 6, 7, and Overpass of Causeway Boulevard at Airline Drive	Contract Number Bid No. 50-00145055
---	---

This designation and acceptance of agency is effective for the period

Beginning Date (mm/dd/yyyy) TBD	End Date (mm/dd/yyyy) TBD (575 Calendar Days from NTP)
---	--

Purchases for the named project during this period by the designated contractor shall be considered as the legal equivalent of purchases directly by the governmental body. Any materials purchased by this agent shall immediately, upon the vendor's delivery to the agent, become the property of this government entity. This government entity, as principal, assumes direct liability to the vendor for the payment of any property, services, leases, or rentals made by this designated agent. This agreement does not void or supersede the obligations of any party created under any construction contract related to this project, including specifically any contractual obligation of the construction contractor to submit payment to the vendors of materials or services for the project.

This contractor-agent is not authorized to delegate this purchasing agency to others; separate designations of agency by this governmental entity are required for each contractor or sub-contractor who is to purchase on behalf of this governmental entity. The undersigned hereby certify that this designation is the entirety of the agency designation agreement between them. In order for a purchase for an eligible governmental entity through a designated agent to be eligible for sales tax exemption, the designation of agency must be made, accepted, and disclosed to the vendor before or at the time of the purchase transaction.

Designation of Agency				Acceptance of Agency			
Signature of Authorized Designator		Date (mm/dd/yyyy)		Signature of Contractor or Subcontractor Authorized Acceptor		Date (mm/dd/yyyy)

				Lucas L. Pappas, Managing Member			
Name of Governmental Entity				Name of Contractor			
				Southern Road & Bridge, LLC			
Address				Address			
				715 Wesley Avenue			
City	State	ZIP		City	State	ZIP	
				Tarpon Springs	FL	34689	

This designation of agency form, when properly executed by both the contractor and the governmental entity, shall serve as evidence of the sales tax exempt status that has been conferred onto the contractor. No other exemption certificate form is necessary to claim exemption from sales taxes. The agency agreement evidenced by this sales tax exemption certificate must be implemented at the time of contract execution with the governmental entity. The contract between the governmental entity and his agent must contain provisions to authenticate the conferment of agency.

COMPANY INFORMATION:

Southern Road & Bridge, LLC (SRB) is a Florida Limited Liability Company and General Contractor established on October 15, 2012. We are headquartered in Tarpon Springs, Florida with a primary focus on the transportation and infrastructure needs of state and municipal authorities. Southern Road & Bridge, LLC is a small business, we are also registered and current in SAM. Our strong focus on personal management, safety, and use of technology allow us to tackle projects that encompass several different trades. Our bonding capacity is \$30 million per project with an aggregate of \$70 million, of which \$10 million is currently underway through several projects. SRB is SSPC QP-1 and SSPC QP-2 Certified, as well as NACE AS-1 and NACE AS-2 Certified. We pride ourselves on taking care of our environment for ourselves, our communities, and our children's futures by following the rules, regulations, and laws per state, county, city, as well as federally that require special permits, precautions, and trainings. We are extremely lucky to have had the pleasure of working with and/or for many wonderful agencies and companies. Each customer, Vendor, and Sub-Contractor is treated with respect and gratitude. Attached you will find letters of reference, our Certificate of Surety, similar projects completed with contact info, and licenses/certifications. Southern Road & Bridge, LLC specializes in the following:

- Sheet Pile Installation / Repair
- Structural Steel Repair
- Welding, Cutting and Straightening Beams
- Rigging & Containment
- Fender Repair/Replacement
- Rip Rap Installation/Repair
- Cathodic Protection

RE: Southern Road & Bridge, LLC

To Whom it May Concern:

Please be advised that Southern Road & Bridge, LLC. is a valued customer of our agency. We have established a bonding program for Southern Road & Bridge, LLC. in the amount of \$50,000,000 single/\$150,000,000 aggregate. The current surety is Atlantic Specialty Insurance Company a T-Listed, Best Rated Insurance Company.

Please note that the decision to issue performance and payment bonds is a matter between Southern Road & Bridge, LLC. and their surety company and will be subject to standard underwriting at the time of the final bond request, which will include but not be limited to the acceptability for the contract documents, bond forms, and financing. We assume no liability to third parties or to you if for any reason we do not execute these bonds.

Should you have any questions please contact me.

Best Regards,

Keith Miller
Attorney-In-Fact

Power of Attorney

KNOW ALL MEN BY THESE PRESENTS, that ATLANTIC SPECIALTY INSURANCE COMPANY, a New York corporation with its principal office in Plymouth, Minnesota, does hereby constitute and appoint: **James Klingensmith, Keith A. Miller, Mark A. Zeidenstein, Brian M Battaglia**, each individually if there be more than one named, its true and lawful Attorney-in-Fact, to make, execute, seal and deliver, for and on its behalf as surety, any and all bonds, recognizances, contracts of indemnity, and all other writings obligatory in the nature thereof; provided that no bond or undertaking executed under this authority shall exceed in amount the sum of: **unlimited** and the execution of such bonds, recognizances, contracts of indemnity, and all other writings obligatory in the nature thereof in pursuance of these presents, shall be as binding upon said Company as if they had been fully signed by an authorized officer of the Company and sealed with the Company seal. This Power of Attorney is made and executed by authority of the following resolutions adopted by the Board of Directors of ATLANTIC SPECIALTY INSURANCE COMPANY on the twenty-fifth day of September, 2012:

Resolved: That the President, any Senior Vice President or Vice-President (each an "Authorized Officer") may execute for and in behalf of the Company any and all bonds, recognizances, contracts of indemnity, and all other writings obligatory in the nature thereof, and affix the seal of the Company thereto; and that the Authorized Officer may appoint and authorize an Attorney-in-Fact to execute on behalf of the Company any and all such instruments and to affix the Company seal thereto; and that the Authorized Officer may at any time remove any such Attorney-in-Fact and revoke all power and authority given to any such Attorney-in-Fact.

Resolved: That the Attorney-in-Fact may be given full power and authority to execute for and in the name and on behalf of the Company any and all bonds, recognizances, contracts of indemnity, and all other writings obligatory in the nature thereof, and any such instrument executed by any such Attorney-in-Fact shall be as binding upon the Company as if signed and sealed by an Authorized Officer and, further, the Attorney-in-Fact is hereby authorized to verify any affidavit required to be attached to bonds, recognizances, contracts of indemnity, and all other writings obligatory in the nature thereof.

This power of attorney is signed and sealed by facsimile under the authority of the following Resolution adopted by the Board of Directors of ATLANTIC SPECIALTY INSURANCE COMPANY on the twenty-fifth day of September, 2012:

Resolved: That the signature of an Authorized Officer, the signature of the Secretary or the Assistant Secretary, and the Company seal may be affixed by facsimile to any power of attorney or to any certificate relating thereto appointing an Attorney-in-Fact for purposes only of executing and sealing any bond, undertaking, recognizance or other written obligation in the nature thereof, and any such signature and seal where so used, being hereby adopted by the Company as the original signature of such officer and the original seal of the Company, to be valid and binding upon the Company with the same force and effect as though manually affixed.

IN WITNESS WHEREOF, ATLANTIC SPECIALTY INSURANCE COMPANY has caused these presents to be signed by an Authorized Officer and the seal of the Company to be affixed this first day of January, 2023.

STATE OF MINNESOTA
HENNEPIN COUNTY

By

Sarah A. Kolar, Vice President and General Counsel

On this first day of January, 2023, before me personally came Sarah A. Kolar, Vice President and General Counsel of ATLANTIC SPECIALTY INSURANCE COMPANY, to me personally known to be the individual and officer described in and who executed the preceding instrument, and she acknowledged the execution of the same, and being by me duly sworn, that she is the said officer of the Company aforesaid, and that the seal affixed to the preceding instrument is the seal of said Company and that the said seal and the signature as such officer was duly affixed and subscribed to the said instrument by the authority and at the direction of the Company.

Notary Public

I, the undersigned, Secretary of ATLANTIC SPECIALTY INSURANCE COMPANY, a New York Corporation, do hereby certify that the foregoing power of attorney is in full force and has not been revoked, and the resolutions set forth above are now in force.

Signed and sealed. Dated 18th day of April, 2024.

This Power of Attorney expires
January 31, 2025

Kara L.B. Barrow, Secretary

Nomination Form 2017

"Partnership for Excellence in Contract Administration" Award

Contract Number: 009064

Project Name: US101 Sol Duc River Bridges – Bridge Painting

Contractor Name: Southern Road and Bridge

Project Engineer: Chris Bruning

Date Project Accepted: Executed May 18th, 2017.

Category of Award (*please underline one category*):

Eastern Washington

- Projects Less than \$3,000,000
- Projects \$3,000,000-\$10,000,000
- Projects Greater than \$10,000,000

Western Washington

- Projects Less than \$3,000,000
- Projects \$3,000,000-\$10,000,000
- Projects Greater than \$10,000,000

Statewide

- Special Mention City/County or Other Project Administered by the WSDOT/Contractor Team

Brief Overview of Nominated Project

Project Description

This project includes the cleaning and painting of all metal surfaces on two bridges on US101 @ M.P. 194.3 and 212.5. These are overhead steel truss bridges that were in need of repainting. The project also included new paved panel joints and new expansion joints on the driving surface of the bridges.

Customer-Focused Administration

During the course of the project, it was evident that Southern Road and Bridge wished to perform the highest quality work within the least amount of time. They also partnered with WSDOT on more than one occasion to mitigate the impacts to the traveling public by opening up both lanes when construction activities were not ongoing. This was greatly appreciated by the surrounding community during a weekend festival in Forks, WA. Southern Road and Bridge was receptive and very quick to respond to any requests by WSDOT.

Innovative Problem Solving

Southern Road and Bridge proposed a cost reduction to the project to utilize recyclable abrasive blast media to remove the existing paint, rust, and other foreign material on the steel bridges. By utilizing recyclable abrasive blast media they were able to complete the blasting with significantly less abrasive material and generated significantly less hazardous waste. The storage and disposal of hazardous waste is a force account item paid by WSDOT, and this innovative solution greatly reduced this cost to the taxpayers. Southern Road and Bridge brought up very specialized equipment to recapture, separate, and reuse the steel grit during the blasting process. It was very evident that Southern Road and Bridge was a highly experienced company whose mission was to perform very high quality work with as little impact to the environment as possible.

Overcoming Extraordinary Challenge

There were several challenges that were overcome on this project:

1. Class 1 containment was required. This is the highest level of containment and Southern Road and Bridge was able to meet the specifications with no major releases.
2. Short project duration with limited working hours. This project was to be complete in 90 working days with only Sundays not being counted. Due to nesting birds in the area, the Contractor was only allowed to work between 2 hours after sunrise to 2 hours prior to sunset. To meet this aggressive schedule, Southern Road and Bridge worked numerous Sunday shifts and in the end worked

**Washington State
Department of Transportation**

on both bridges simultaneously to complete the project within the allowable working days.

3. First WSDOT contract by an out of state company. This was Southern Road and Bridge's first WSDOT contract and they worked diligently to learn our submittal and materials acceptance processes. To add to this challenge, WSDOT bridge and structure reviews were hired out to a consultant. This meant that the lines of communication went through 1 extra channel and this added time and confusion to the process of approving submittals. Southern Road and Bridge worked diligently to return corrections asap and was able to get all submittals approved without significant delays to the project. Even during the most frustrating times, the project team from Southern Road and Bridge kept a positive attitude, responded quickly, and remained professional.
4. Weight/ Loading restrictions on the bridges. Due to weight/load restrictions, the bridges had to be painted in stages. First, the underdeck steel was painted with the requirement that only 1 lane of traffic could be allowed and had to be in the center of the bridge. Then once the underdeck platform and containment was removed, then the traffic could be swapped to one side or another to perform all the overhead work. This restriction made the task of completing the project in a short duration that much more difficult.

Effective Contract Administration

Southern Road and Bridge did a fantastic job of learning a new process and submitting all documentation prior to beginning work. The project teams communicated very well and kept a very professional attitude. Submittals and materials documentation was submitted in a timely manner and all requests from WSDOT were answered quickly. Southern Road and Bridge was also very helpful and took the time to explain any items of confusion to the WSDOT team.

Timely Completion of Project

Southern Road and Bridge worked very efficiently and was able to complete both bridges within the allowable time. They worked numerous Sundays to make this happen and they were determined to get the work done in time.

Safety

Southern Road and Bridge is a safe working company and there were no accidents on this project. They were also very helpful with ensuring that our project inspector had appropriate equipment and stayed safe at all times. They went above and beyond what was required to drive our inspector from the project site back to the shower facility each day during the blasting and painting work. In addition, when our inspector was ill, the project foreman volunteered to driver her to the local hospital. This was appreciated greatly and showed that Southern Road and Bridge cared about all members of the project team.

Mr. Emmanuel Triantafilos
Southern Road and Bridge
715 Wesley Avenue,
Tarpon Springs, Florida 34689

Dear Mr. Triantafilos,

It is my pleasure to provide this personal letter of recommendation for you, based on my experience serving as Consultant Project Engineer for the Construction Engineering and Inspection (CEI) team for the following project in which you were the Construction Project Manager / Superintendent:

- FDOT District 4 Bridge Painting of SR-858, which involved full removal and replacement of the structural steel coating system of the SR-858/Hallandale Beach Blvd Bascule Bridge over the Intracoastal Waterway, including movable bridge preventive maintenance and routine repair, adjusting movable bridge counterweight, and providing movable bridge operator (Approximate Cost: \$1.5M)

Under your leadership, your staff provided an excellent quality bridge paint job, prepared safe containment, and complied with environmental requirements. Your exceptional cooperation and communication with our inspection staff as well as the public information officer assigned to the project are also very much appreciated. You provided all submittals in a timely manner, including pre-construction submittals, project schedules, and invoicing backup documentation. The final Contractor Past Performance Rating (CPPR) was a perfect score of 98.

The Hallandale Beach Blvd project was successfully completed in 144 days, when the allowed contract time was 291 days, 1/2 of the allowed time.

If you have any questions, please feel free to contact me at (305) 283-9816.

Sincerely,

Erik Sibila

Mr. Lucas Pappas
Southern Road and Bridge
715 Wesley Avenue,
Tarpon Springs, Florida 34689

Dear Mr. Pappas,

It has been a pleasure to serve as a Consultant Project Engineer for the Construction Engineering and Inspection (CEI) team for the following project performed by Southern Road and Bridge for FDOT District 4 in Broward County:

- Bridge Painting of SR-838 Sunrise Blvd over SR-441, which involved pressure cleaning and painting of two steel bridges as well as applying Class 5 concrete coating to abutments, piers, and concrete barrier walls (Approximate Cost: \$874,000)

Your entire staff from top down provided an excellent quality bridge paint job, prepared safe containment, complied with environmental requirements, and cooperated and communicated with our inspection staff as well as the public information officer assigned to the project. Your office personnel provided all submittals in a timely manner, including pre-construction submittals, project schedules, and invoicing backup documentation. The final Contractor Past Performance Rating (CPPR) was a perfect score of 98.

The Sunrise Blvd project was successfully completed in 85 days, when the allowed contract time was 262 days, 1/3 of the allowed time.

If you have any questions, please feel free to contact me at (305) 283-9816.

Sincerely,

Erik

ATTN: Mr. George Pappas
Field Superintendent

RE: Project: SR 408 Aesthetic Coatings Renewal
Project No.: 599-734
Contract No.: 001279
Contractor: Southern Road and Bridge.
O/G No.: 024
Mehta Reference Letter

Dear Mr. Pappas,

This reference letter is to acknowledge our appreciation with Southern Road and Bridge's excellent work in completing the subject coatings renewal project on time and under budget. This project was challenging as the cleaning and coating work was going on concurrent with other Central Florida Expressway Authority (CFX) work within the project limits of the coating project. Southern Road and Bridge was very cooperative working with our Mehta CEI team and the other active concurrent project teams and with coordination of vegetation removal with the owner CFX maintenance division.

The tell tail sign of an excellent quality project is when we get to the semi-final inspection and all work is found to be acceptable, by all, with no deficiency list items and the semi-final inspection becomes the final inspection and the project is ready to be recommended for final acceptance to the owner, which was the case with this project. Great Job!!

We look forward to working with Southern Road and Bridge on similar future CFX projects.

Sincerely,

Michael Schawe

To Whom it may concern:

Please find this letter of recommendation for Southern Roads and Bridge an A+ for upcoming projects that they propose an interest in. Their quality of work was top of the line and as well as the important documents sent in from the main office (correct and on time). This is the second project that I have had with Southern Roads and Bridge and both has turned out excellent.

- 1.) The painting of West Bay Bridge over the Intercoastal waterway (Bay County, FL).
- 2.) Dupont Bridge abutment repair after Hurricane Michael (Bay County, FL.)

I would highly recommend Southern Roads and Bridge for any future projects.

Charles E. Kennedy – FDOT Project Manager/Project Oversight

Re: Letter of Recommendation for Specialty Bridge Work Performed

Dear Sir or Madam:

Michael Baker International served as Engineer of Record on a bridge repair and maintenance project for the City of Mobile. Southern Road and Bridge, LLC successfully and satisfactorily completed the following project(s) for the City:

Project(s): **SITE 1 – Pedestrian Bridge over Water Street (BIN No. 017197) and
SITE 2 - Beauregard Street / Robert M. Hope Overpass Over CSXT
(BIN 014005) Overhead Bridge Repair, Cleaning, and Painting
(City Project Nos. 2019-3005-01 / 2020-3005-06)**

Client / Owner: **City of Mobile, Alabama**

Contract Amount: **\$1,099,040.00 Total (\$410,834.00 for Site 1 / \$1,049,502.45 for Site 2)**

Contract Term: **120 Working Days Allowed (for total contract)**

Notice to Proceed: **October 22, 2020**

Completion Date: **August 23, 2022**

Contractor's scope of work included:

**Repair of Steel Components and Cleaning, Sandblasting and
Repainting Steel and Concrete Components**

This contract included (2) separate project sites in the downtown business district of Mobile, but Michael Baker was only responsible for overseeing construction operations for Site 2. Although there were delays in the project, they were no fault of the Contractor. CSX permitting and flagger requirements, along with the high volume of train traffic, significantly slowed the progress of work. However, Southern Road & Bridge completed all work on Site 2 within 52 working days.

The Contractor was excellent to work with on this project. Their staff was professional, knowledgeable, and responsive. They provided sufficient staff to perform the work efficiently,

effectively, and in a timely manner. Additionally, the Contractor was accommodating to both the City's special scheduling needs, such as working around large conferences and Mardi Gras festivities held in or near the area of the project sites, and other special permitting requirements of the project including coordination of construction activities in accordance with strict CSX guidelines. I would highly recommend this Contractor for any specialty bridge maintenance and repair projects.

If you should have any questions or concerns, please do not hesitate to contact me at 251-380-0898.

Sincerely,

To whom it may concern:

It was a pleasure working with Mr. Emmanuel Triantafillos (Manoli) at the Queen Isabella Causeway connecting Port Isabel & South Padre Island in Texas. Manoli really takes pride on his work by going above & beyond to provide an excellent end project. Manoli has a sense of urgency & understands his client, but he will NOT sacrifice quality. Manoli is well respected along his co-workers & TxDOT staff. Manoli constantly has a positive attitude regardless of the task at hand. Manoli is very knowledgeable when it comes to industrial coating projects & working along with others. Manoli took the time to personally go over with me bridge coating/painting procedures in detail. Our project was successful thanks to Manoli's leadership. I would strongly recommend Emmanuel on future industrial coating projects & look forward working with him in the nearby future.

Feel free to contact me at (956)399-5102 for further questions you might have.

Sincerely,

Andres Espinoza
San Benito Area Engineer

Good morning Mr. Pappas,

I hope this email finds you well. I wanted to take a few minutes to tell you that it was great to work with Clarence and his team. His leadership style in the construction Industry is not often seen and his team followed direction both safely and efficiently. They worked together without conflict with each other and NASA personnel, in fact they were courteous, professional, & always deferred to Clarence on matters of decision and direction. I witnessed Clarence speak to and train his team in skillsets that they wanted to improve on, and he patiently answered questions on the processes employed. Many times, I asked questions concerning their processes and he explained step by step what would be done and why. I also witnessed Clarence speak to NASA Personnel to explain various technical topics including issues addressing the expansion joints and what would be necessary to correct a previous Contractor's completed work. Clarence is a clear & effective communicator, that in part was one of the things that made me great full that he was on the team. Thank you again for the great work that your team did for Heard Construction here at NASA. Thanks to Sue & Henry from HCI for choosing a good Contractor for their team on this one. Perhaps we will have an opportunity to work together in the future.

Respectfully,

Seth Jones

INDEPENDENT AUDITORS' REPORT

To the Members'
Southern Road & Bridge, LLC
Tarpon Springs, Florida

Opinion

We have audited the accompanying financial statements of Southern Road & Bridge, LLC (the "Company"), which comprise the balance sheet as of December 31, 2023, and the related statements of income and changes in members' equity, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Southern Road & Bridge, LLC as of December 31, 2023, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Southern Road & Bridge, LLC and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Southern Road & Bridge, LLC's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

To the Members'
Southern Road & Bridge, LLC
Tarpon Springs, Florida

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Southern Road & Bridge, LLC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Southern Road & Bridge, LLC's ability to continue as a going concern for a reasonable period of time.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary schedules of earnings from contracts, contracts completed, contracts in progress, and general and administrative expenses are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

SOUTHERN ROAD & BRIDGE, LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations:

The Company operates as a contractor engaged in paving roadways and restoring bridges, generally across the Southeast. The work is performed primarily under unit-price and fixed-price contracts. Contract lengths vary but are typically less than one year.

Accounting Estimates:

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates. Management periodically evaluates estimates used in the preparation of the financial statements for continued reasonableness. Appropriate adjustments, if any, to the estimates used are made prospectively based upon such periodic evaluation. It is reasonably possible that changes may occur in the near term that would affect management's estimates with respect to the percentage of contract completion, useful lives of property and equipment, and overhead cost allocations.

Revisions in estimated contract profits are made in the year in which circumstances requiring the revision become known.

Balance Sheet Classifications:

The Company includes in current assets and liabilities retentions receivable and payable under construction contracts that may extend beyond one year. A one-year time period is used as classifying all other current assets and liabilities.

Marketable Securities:

Marketable securities consist of equity and exchange-traded securities that are reported at fair value. Unrealized holding gains and losses on equity securities are included as a component of net investment income. Realized gains and losses on the sale or distribution of equity securities are determined using the specific identification method, and are included as a component of net investment income (loss).

SOUTHERN ROAD & BRIDGE, LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Revenue and Cost Recognition:

The construction services performed under each contract represent a single performance obligation that is satisfied over time. Revenues from construction contracts are recognized over time using the cost-to-cost input method, measured by the percentage of costs incurred to date to estimated total costs for each contract. This method is used because management considers costs incurred to date to be the best available measure of progress on these contracts. Because of the inherent uncertainties in estimating costs, it is at least reasonably possible that the Company's estimates of costs and revenues will change in the near term.

Contract costs include all subcontract, direct material and labor costs and those indirect costs related to contract performance, such as indirect labor, insurance, supplies, tools, repairs and depreciation. Costs of inefficiencies or wasted resources (material or labor) are excluded when measuring progress and are expensed as incurred. General and administrative costs are charged to expense as incurred. Provisions for estimated losses on uncompleted contracts are made in the period in which such losses are determined. Changes in job performance, job conditions and estimated profitability, including those arising from contract penalty provisions and final contract settlements, may result in revisions to costs and income and are recognized in the period in which the revisions are determined. Changes in estimated job profitability resulting from variable consideration (such as incentives for completing a contract early or on time, penalties for not completing a contract on time, claims for which the Company has enforceable rights, or contract modifications/change orders in which the scope of modification has been approved, but the price has not been determined or approved) are accounted for as changes in estimates in the current period, but limited to an amount that will not result in a significant reversal of revenue in future periods.

Contract Receivables:

Contract receivables from construction are based on amounts billed to customers. The Company provides an allowance for credit losses, when necessary, which is based upon a review of outstanding receivables, historical collection information, existing economic conditions and reasonable and supportable forecasts. Normal contract receivables are due 30 days after issuance of the invoice. Retainages are due upon completion of contracts. Unbilled receivables result from accrual of revenues on contracts completed for which billings have not yet been rendered. Retainage and unbilled receivables for which the right to payment is unconditional are included in contract receivables. Contract receivables past due more than 30 days are considered delinquent. Delinquent contract receivables are written off based on individual credit evaluation and specific circumstances of the customer. Balances that remain outstanding after the Company has used reasonable collection efforts are written off. Management determined no allowance was necessary as of December 31, 2023.

SOUTHERN ROAD & BRIDGE, LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Contract Assets and Contract Liabilities

The contract asset, “Costs and estimated earnings in excess of billings on uncompleted contracts,” represents revenues recognized in excess of amounts billed. The contract liability, “Billings in excess of costs and estimated earnings on uncompleted contracts,” represents billings in excess of revenues recognized.

Retainage on uncompleted contracts and unbilled receivables that are not due until certain contract conditions are met, and accrued losses on uncompleted contracts, are included in contract assets and contract liabilities. The Company’s contract assets and contract liabilities are reported net, on a contract-by-contract basis.

Property and Equipment:

Property and equipment are stated cost and depreciated over the estimated useful lives of the individual assets utilizing the straight-line method. Estimated useful lives are generally as follows:

Construction equipment	5 - 10 years
Transportation equipment	5 - 8 years
Office furniture and equipment	5 - 7 years

Major expenditures for property and equipment, and those which substantially increase useful lives, are capitalized. Maintenance, repairs and minor renewals not included as contract costs are expensed as incurred. When assets are retired, or otherwise disposed of, their costs and related accumulated depreciation are removed from the accounts and any resulting gain or loss is included in income for the year.

Income Taxes:

The Company, with the consent of its members, has elected to be taxed as a partnership under the provisions of the Internal Revenue Code, whereby income is passed through to the individual members. Under this election, the Company does not pay any federal or state income taxes. Accordingly, no provision for income taxes on current period income has been made in the accompanying financial statements.

If it is probable that an uncertain tax position will result in a material liability and the amount of the liability can be estimated, then the estimated liability is accrued. If the Company were to incur any income tax liability in the future, interest on any income tax liability would be reported as interest expense, and penalties on any income tax would be reported as income taxes. As of December 31, 2023, management believes there were no uncertain tax positions.

Leases:

ASC 842, “Leases” (“ASC 842”) requires a lessee to recognize a right-of-use asset and a lease liability for all leases with a term greater than 12 months on its balance sheet regardless of whether the lease is classified as financing or operating.

SOUTHERN ROAD & BRIDGE, LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Leases (Continued):

The Company's lessee arrangements include operating leases for office facilities, storage space, and various pieces of equipment. Under these arrangements, the Company records right-of-use assets and corresponding lease liabilities, each of which is based on the present value of the remaining lease payments discounted using the risk-free rate practical expedient allowable under ASC 842. Right-of-use assets are reported in noncurrent assets and the related lease liabilities are reported in current and long-term liabilities on the balance sheet. All leases are recorded on the balance sheet except for leases with an initial term less than 12 months for which the Company elected short-term lease recognition under ASC 842. Lease terms may contain renewal and extension options and early termination features. Lease expense is recognized on a straight-line basis over the lease term.

Recent Accounting Pronouncements:

In March 2020, the FASB issued Accounting Standards Update No. 2020-04 ("ASU 202-04"), *Reference Rate Reform* (Topic 848): Facilitation of the Effects of Reference Rate Reform on Financial Reporting. ASU 2020-04 provides optional expedients and exceptions for applying GAAP to contracts, hedging relationships, and other transactions effected by reference rate reform. The amendments in this standard can be applied any time before the fourth quarter of 2023. There is no significant impact from the adoption of the new rules on the Company's financial condition, results of operations, cash flows, and disclosures.

In June 2016, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2016-13, *Financial Instruments - Credit Losses* (Topic 326): Measurement of Credit Losses on Financial Instruments ("ASC 326"). ASC 326 requires the measurement of all expected credit losses for financial assets held at the reporting date to be based on historical experience, current conditions, and reasonable and supportable forecasts. This current expected credit loss ("CECL") model replaces the existing incurred loss model and is applicable to the measurement of credit losses on the Company's accounts receivable. Subsequent to the issuance of this update, the FASB issued several ASUs that clarified the guidance. ASC 326 is effective for fiscal years beginning after December 15, 2022. The Company adopted the standard on January 1, 2023, and it did not have a material impact on the Company's financial statements.

Subsequent Events:

Management has evaluated subsequent events through March 19, 2024 which is the date the financial statements were available to be issued.

SOUTHERN ROAD & BRIDGE, LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

NOTE 2 - MARKETABLE SECURITIES

Proceeds from the sale of marketable securities were \$21,038,388 for the year ended December 31, 2023. Gross realized loss on those sales was \$3,603,521. For purposes of determining gross realized gains and losses, the cost of securities sold is based on average cost.

During the year ended December 31, 2023, all marketable securities were distributed to a member. The member received the fair value amount of the equity securities of \$2,091,479. In connection with this transaction, the Company recognized a loss of \$644,119 in 2023, which is included in net investment loss and represents the excess of the aggregate market value of the investments over the aggregate carrying value of the shares.

NOTE 3 - CONTRACT RECEIVABLES

Contract receivables consist of the following:

Completed contracts	\$ 2,393,329
Contracts in progress	6,929,082
	<u>9,322,411</u>
Retainage on completed contracts	<u>1,050,542</u>
	<u><u>\$ 10,372,953</u></u>

As of December 31, 2022 the balance of contract receivables was \$7,032,002.

NOTE 4 - CONTRACT ASSETS AND LIABILITIES

Information concerning uncompleted contracts is summarized as follows:

Cost incurred on uncompleted contracts	\$ 76,607,920
Estimated earnings	24,381,228
	<u>100,989,148</u>
Less billings to date	96,912,754
	<u>4,076,394</u>
Retainage receivable on uncompleted contracts	<u>2,029,362</u>
	<u><u>\$ 6,105,756</u></u>

SOUTHERN ROAD & BRIDGE, LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

NOTE 4 - CONTRACT ASSETS AND LIABILITIES (Continued)

Retainage receivable and contract balances from uncompleted contracts with customers are summarized as follows:

Costs and estimated earnings in excess of billings on uncompleted contracts	\$ 4,732,251
Retainage - included in contract assets	1,914,503
Billings in excess of costs and estimated earnings on uncompleted contracts	(655,857)
Retainage - included in contract liabilities	<u>114,859</u>
	<u><u>\$ 6,105,756</u></u>

Included in the accompanying balance sheet under the following captions:

Contract assets	\$ 6,646,754
Contract liabilities	<u>(540,998)</u>
	<u><u>\$ 6,105,756</u></u>

As of December 31, 2022, the balance in contract assets was \$4,239,907 and the balance in contract liabilities was \$3,180,577.

NOTE 5 - BACKLOG

Backlog represents the amount of revenue the Company expects to realize from work to be performed on contracts in progress at year end and from contractual agreements on which work has not yet begun. The following schedule summarizes changes in backlog on contracts for the year ended December 31, 2023:

Backlog balance at beginning of year	\$ 76,670,837
New contracts during the year	68,516,979
Contract adjustments on contracts in progress	<u>12,067,560</u>
	157,255,376
Less contract revenue earned during the year	<u>72,889,306</u>
Backlog balance at end of year	<u><u>\$ 84,366,070</u></u>

SOUTHERN ROAD & BRIDGE, LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

NOTE 6 - PROPERTY AND EQUIPMENT

Property and equipment consist of the following:

Construction equipment	\$ 5,981,921
Transportation equipment	1,383,286
Office furniture and equipment	<u>15,415</u>
	7,380,622
Less accumulated depreciation	<u>6,097,581</u>
Property and equipment, net	<u><u>\$ 1,283,041</u></u>

Depreciation expense was \$859,478 for the year ended December 31, 2023.

NOTE 7 - INVESTMENT IN CAPTIVE INSURANCE COMPANY

During the year ended December 31, 2023, the Company invested \$330,445 in Highway Insurance Solutions, LTD, a group captive insurance company domiciled in the Cayman Islands. This captive insurance company provides workers' compensation insurance, auto liability, auto physical damage, and general liability insurance coverage to the Company.

NOTE 8 - LINE OF CREDIT

The Company has a \$3,000,000 revolving line of credit with a financial institution which renews annually. The line of credit accrues interest at the greater of the Bloomberg Short-Term Bank Yield Daily Floating Rate or the Index floor, plus 3.00% (11.50% on December 31, 2023), is secured by substantially all assets of the Company, contains certain restrictive covenants and is guaranteed by the members. The minimum liquidity covenant ratio was not met as of December 31, 2023. The bank has waived the noncompliance at December 31, 2023. At December 31, 2023 there was no balance on the line of credit.

SOUTHERN ROAD & BRIDGE, LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

NOTE 9 - LONG-TERM DEBT

Long-term debt consists of the following:

Notes payable to bank and finance companies, bearing interest at fixed rates up to 6.9%, maturities through October 2028, secured by substantially all assets of the Company, guaranteed by the members	\$ 769,274
Less current maturities	<u>389,379</u>
Long-term debt, less current maturities	<u><u>\$ 379,895</u></u>

Scheduled maturities of long-term debt are as follows:

2024	\$ 389,379
2025	152,693
2026	140,573
2027	51,439
2028	<u>35,190</u>
	<u><u>\$ 769,274</u></u>

NOTE 10 - LEASES

The Company leases its office facilities, storage space, and various equipment from third-party lenders under leases which expire in September 2024. As of December 31, 2023, the right-of-use assets related to the operating lease totaled \$56,597 and the lease liabilities totaled \$57,422. Lease expense for the year ended December 31, 2023 was \$116,508 and includes short-term leases with terms that are less than 12 months.

The following table presents supplemental information pertaining to the operating leases as of and for the year ended December 31, 2023:

Operating cash flows from operating leases	\$ 74,460
ROU assets obtained in exchange for new operating lease liabilities	\$ 82,716
Weighted-average remaining lease term in years for operating leases	0.81
Weighted-average discount rate for operating leases	4.45%

SOUTHERN ROAD & BRIDGE, LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

NOTE 10 - LEASES (Continued)

The following table represents the maturities of the Company's lease liabilities and the present value discount at December 31, 2023:

2024	\$ 58,357
Less: present value discount	<u>(935)</u>
Total lease liabilities	<u>\$ 57,422</u>

NOTE 11 - COMMITMENTS AND CONTINGENCIES

Concentration of Credit Risk:

The Company's cash balances held at financial institutions are insured by the Federal Deposit Insurance Corporation ("FDIC") up to certain limits. At December 31, 2023, the Company had cash balances of \$413,692 held by financial institutions in excess of insured limits.

Concentration of Revenue - Major Customers:

The Company's customer base consists of a diverse mix of corporate and governmental entities in a wide variety of industries. During 2023, the Company derived 53% of its total contract revenue from four major customers. At December 31, 2023, amounts due from these four major customers comprised 53% of total contract receivables and retainage at December 31, 2023.

Captive Insurance Policy:

The Company manages its risk for various insurance claims through its participation in a captive insurance policy. The Company incurred premiums of \$1,410,259 for the year ended December 31, 2023. Management is not aware of any claims at December 31, 2023; accordingly, no reserve has been recorded at December 31, 2023.

Legal Matters:

The Company is a party to litigation in the normal course of operations. Management does not believe that the impact of any outstanding legal matters will have a material adverse impact on the Company's results of operations or financial position.

SOUTHERN ROAD & BRIDGE, LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

NOTE 12 - RELATED PARTY TRANSACTIONS

The Company entered into an unsecured note receivable with a related entity in the amount of \$700,000 during the year ended December 31, 2023. The note receivable matures December 31, 2033, and does not accrue interest. Payments to the Company begin in 2025.

The Company's payroll is processed by a related entity. Payroll processing expenses were approximately \$248,000 for the year ended December 31, 2023.
