*Nutmeg is the seed of a fruit resembling an apricot. It has a deliciously sweet and nutty flavor. It will enhance your favorite meat, soup and preserves. It also adds an exotic touch to baked goods such as cookies, cakes and pies.*

*La nuez moscada no es exactamente una nuez, sino la semilla de un fruto parecido al albaricoque. Una vez molida o rallada, la nuez moscada exhala su fragancia y libera su delicado sabor. Además de usarse como condimento de carnes, sopas y mermeladas, este producto agrega un toque exótico a tortas, galletas y postres.*
