EDUCATION

Mathematics | Secondary Education | Curriculum & Instruction | Leadership

Belhaven University	Jackson, MS (<i>in progress</i>)	Ed.D Educational Leadership
Mississippi College	Clinton, MS	Ed.S Educational Leadership
Jackson State University	Jackson, MS	M.A.T. Secondary Education
Jackson State University	Jackson, MS	B.S. Mathematics

PROFESSIONAL EXPERIENCE

Education | Management | Recruitment | Professional Development

2020 – Present	Education Strategist Math Specialist Courtney Jones, LLC, Jackson, MS
2016 – Present	Adjunct Professor PD Facilitator Jackson State University, Jackson, MS
2022 – 2024	Math & Reading Coaching Specialist Management & Recruitment Reading & Math, Inc., Remote
2020 – 2022	Math Consultant Project Manager PD Facilitator GES, Madison, MS
2017 – 2022	Math Mentor Hinds Community College, Utica, MS
2019 – 2020	Math Instructor Republic Charter Schools, Jackson, MS
2011 – 2019	Math Department Instructor/Co-chair Jackson Public School District, Jackson, MS

SUMMARY OF QUALIFICATIONS

Leadership | Data Analysis | Management | Student Growth | Presenter | Curriculum Development

- Utilized data management systems (PowerBi) to monitor program impact and fidelity, inform data-driven decisions, and facilitate data-centered team and client presentations.
- Utilized data to create and implement differentiated client and team support to increase student growth percentages, enhance client relationships, strengthen partnerships, and exceed impact goals.
- Trained and managed MTSS intervention teams towards consistent, effective program implementation with 80% retention.
- Coached and managed intervention teams maintaining 87% fidelity for personal and professional development, 93% student growth (secondary), and 83% student growth (elementary) across 5 districts.
- Proactively organized site intervention and data reviews to sustain relationships, assess fidelity and implementation, and discuss growth opportunities.
- Developed and maintained site relationships towards continuous partnerships for program expansion.
- Organized and facilitated data & implementation meetings for new and continued partnerships.

COURTNEY JONES, ED. S

courtney@theestrategist.com

- Facilitated and sourced virtual & traditional training, coaching & co-teaching, mentorship, curriculum development, and new-teacher essentials training.
- Developed relevant educational content to motivate and enhance student and teacher practices and achievement in mathematics for math teams and underperforming student groups.
- Managed, coached, and assessed educators in student engagement, best practices, strengths-based approaches to teaching and learning, and professionalism.
- Implemented academic and behavioral systems to accommodate consistent academic gains, data-driven decision-making, transferrable feedback, and healthy communicative partnerships.
- Partnered with educational stakeholders to establish and maintain a culture of urgency for academic success.
- Mentored new teachers to shape effective planning and facilitating, time management, strong and consistent classroom culture, and healthy professional growth goals.

PRESENTATIONS DELIVERED

Engaging 4-8 Math Comprehensive Intervention Program • The Math Corps Way • Data-driven Decisions • Integrating Technology for Student Engagement • Instructional Strategies: Planning with Purpose • Google + G Suite • Teaching, Planning, & Assessment • A Family Affair: Reading, Writing & Mathematics • Standards for Mathematical Practice as Standards for Life • Unpacking CCR Standards

PRESENTATIONS ATTENDED

MS Association of Federal Education Program Directors Summer Conference • Grant Writing & Non-profits • Words Well Said: Relationships and Communication • Analyzing Data for Targeted Instruction • Best Practices for Differentiated Instruction • Strengths-based Teaching in Mathematics • Orchestrating Mathematical Discourse • SREB Math Ready Training • Exemplar Lessons in Secondary Mathematics • Essential Questions: Opening Doors to Student Understanding • Mathematics and Technology

SKILLS & CHARACTERISTICS

Data-Driven Insights • Data Analysis • Educational Leadership • Relationship Management • Team Management • Mathematics Specialist • Interpersonal Intelligence • Strategic problem-solving • Partnership development • Professional Development Coordinator • Web Training & Conferencing • Equity-centered • Transformational Leadership • Results-oriented • Team-building • Asset-based • Curriculum development

APPLICATIONS

Microsoft Office • Google Suite • Data management systems • PowerBi

LICENSURE & CERTIFICATION

Mississippi License

No. 221692

Class AAA

Endorsements

154 **MATHEMATICS** (7-12)

155 **ALGEBRA I**

901 **MID SCH MATH** (7-8)

929 **SREB MATH READY** (7-12)
