Charlie,

Per your request please see the below information:

The 92R7845Z, 42W7845Z, 192R7845Z, and 142R7845Z Flying Cross Power Stretch shirts are a special cut garment. As of right now there are only 2 shirts in existence (one male S/S & one female S/S). Those shirt samples were requested by Vinson Uniforms 3+ months ago.
The only Fechheimer uniform dealer that has committed (thus far) to stocking the above garments is Vinson Uniforms.

In regards to the Custom Honor Guard Blouse Coat and Pants.....this uniform was created and designed by St. John Parish Sheriff/Vinson Uniforms 3 months ago.
The only sample set in existence was purchased by Vinson Uniforms 3 months ago.

With all of that said.....any Fechheimer dealer interested in getting the above samples made has the privilege to do so.

ETA for sample delivery

92R7845Z, 42W7845Z, 192R7845Z, and 142R7845Z = 6-7 weeks
Custom Honor Guard Blouse Coat and Pants = 60-70 days

I hope this helps.

Sincerely,

Eric Miller
