Dear **Jeff Eubanks**,

With the hyper-accelerated transition to technology-based education over the last year, educators are seeking deeper partnerships with solutions providers who can deliver more than a sale or a product. They are looking for a true partner who is vested in helping broaden access and improve learning outcomes. Trox is that partner.

Selling technology is no longer enough. It must be accompanied by services, training, and support to empower educators and students to meet their goals. For nearly 40 years, Trox has been a vital part of the education ecosystem. *Our mission is simple: to improve learning and make it more accessible.*

Currently, we serve the needs of over 20 million students in the U.S., Puerto Rico, and Canada. We are a favored technology partner to over one-third of the top-tier K-12 school districts in the U.S., and hundreds of higher learning institutions. This includes being the ed-tech partner of choice for some of the largest school districts in the U.S. and Canada, including Clark County PS (NV), Dallas ISD (TX), Paradise Valley USD (AZ), the School District of Philadelphia (PA), and the Toronto District School Board (ON CDA).

As a true partner, we commit to being with you every step of the way – from planning and design to purchasing, integration, and installation – and throughout the entire technology lifecycle, providing services like professional development, classroom management, and technology buyback. We help you derive the greatest benefits and maximize the overall value of your technology investments.

WHAT SETS TROX APART?

Our deep experience in understanding how technology is used to manage, teach, and learn helps us create differentiated solutions that are purpose-built to improve the learning landscape.

Our clients benefit from:

- **Experience** – With technology and education in our DNA, our 550+ employees are committed to helping educators improve learning outcomes. Nearly 40 years of providing technology and services to educators and students have helped us master services requiring higher and more specialized skills at the level of experience unmatched by other companies.
- **Portfolio** – Trox offers one of the largest and most comprehensive technology portfolios available – more than one million products from over 800 industry-leading manufacturers and service providers.
- **Scale & agility** - We have made significant investments in our business to scale our customers' needs. This includes creating more exclusive and innovative solutions, increasing our coverage model across North America, and improving our negotiating ability with vendors. All enable us to have more meaningful discussions with customers about how to solve their challenges.

- **Integration capabilities** – Our pedigree contains deep technical knowledge and expert-level collaborative technology design and integration services. This gives us the ability to plan and execute on high-end, complex technology projects and offer integration services anywhere in the U.S.
- **Services** – Trox provides a complete suite of education-specific services ranging from product screening and professional development to IT asset disposition (ITAD) and product lifecycle management.
- **Coverage** – Trox has coverage in every state in the U.S. and a large portion of Canada. Our ed-tech experts live and work in the areas where our clients are located and are invested in the schools they serve.
- **Results** - Over 20 million students use Trox-provided technology and solutions every day.

Trox is proud to support transformative change in education. We are confident you will find we have the right mix of experience, expertise, product, and services to support your requirements effectively. If you need more information, please contact me directly at charlotte.daves@trox.com.

Sincerely,

Charlotte Daves

Trox + Tierney Group of Companies

Troxell Communications, Inc., Integrated AV Systems, LLC d.b.a. Summit Integration Systems, CDI Computer Dealers Inc., CDI Computers (US) Corp., CDI Dallas LLC, and LifeSpan International, Inc. (individually an "Affiliate" and collectively the "Companies") now compose a group that represents the Trox brand. In April 2021, Tierney Brothers Inc. was brought into the collective and the Trox + Tierney brand was established.

The Companies are currently marketing themselves under the Trox and Trox + Tierney brands to bring awareness to the common ownership of the Affiliates. Under that common ownership, the Companies are positioned well to bring an unprecedented line of technology products and services to customers in the education market, but with respect to the legal substance of any purchase/sale between the Companies and a customer, the sale will represent a transaction with a single Affiliate. Contracts, purchase orders, and other documents to a sale should bear the full corporate name of a single Affiliate as determined by the relevant Account Executive, the product being sold, or the existing and unmodified contracts or agreements that cover such purchases/sales. Until at which time you are informed otherwise, each Affiliate will continue to transact business as a standalone entity under the same names and FEINs as before. The business has not changed for any of the Companies in this regard.

For this project, Troxell Communications, Inc. will be the affiliate contracting with South Panola Schools.

GENERAL INFORMATION

Prices quoted shall be all-inclusive, including: all applicable taxes, shipping costs, and technical support. Prices must be broken down into the 6 separate school sites. Worksheets are provided in this document and must be used for the final bid submission. South Panola will accept partial delivery on a campus basis only. The awarded vendor may deliver all devices (and/or installation of all devices) at a campus and request partial payment based on the campus being complete. South Panola will not accept partial deliveries at any campus; deliveries for a campus must be complete for that campus.

Special instructions: A lift gate is required for delivery of Interactive Displays. South Panola School Campuses do not have loading docks. It is the vendor's responsibility to off load the interactive displays and place them in a designated location inside the campus.

Omissions in the proposal of any provision herein described shall not be construed as to relieve the vendor of any responsibility or obligation to the complete and satisfactory delivery, operation, and support of any services.

Should the vendor have questions, find discrepancies in, find omissions from this bid, or shall be in doubt of its meaning, the vendor shall at once notify South Panola School District. All questions should be addressed to Jeff Eubanks as outlined below. The preferred mode of contact is via email.

Mr. Jeff Eubanks : jEubanks@spanola.net
Asst. Director of Technology Information Systems
South Panola School District

Questions must be submitted to the email address jEubanks@spanola.net. This is an unfiltered account. If a response is not received within 24 hours, it is the responsibility of the respondent to call Jeff Eubanks at (662) 563-9361 (mobile 662-934-0212) to confirm receipt of the question. If there is no answer, leave a message.

All questions and responses will be posted immediately on the district's Procurement Site. It is the sole responsibility of the respondent to visit this page prior to bid submission to ensure they have the latest information. The South Panola School District's Procurement Site can be found under **Interactive Display Touchscreen Televisions** at : <https://www.spsd.k12.ms.us/Page/7062>

BID SUBMISSION INSTRUCTIONS

Bids will be accepted until 11:00 a.m. on Monday, October 25, 2021. Bids will be opened at 11:01 a.m. on Monday, October 25, 2021 in the Technology Building of the South Panola School District Central Office at 209 Boothe Street, Batesville, MS 38606 or Bids can be submitted electronically at www.centralauctionhouse.com

Paper bids must be submitted in a sealed envelope clearly marked as follows:

"Interactive Display Touchscreen Televisions"

In addition, if the vendor's bid is over \$50,000 then the **Certificate of Responsibility Number** must be clearly marked on the outside of the sealed envelope.

Envelopes not marked will remain sealed, unopened and not considered for this project.

The South Panola School District Board of Trustees reserves the right to reject any and/or all bids and waive any informalities.

It is the sole responsibility of the respondents to ensure their responses arrive in a timely manner. Late arrivals will be rejected. The South Panola School District is not responsible for delays of any commercial carrier or delays incurred by the respondents. Oral, telephone, or email bids will not be considered. Signatures on the proposals shall be in longhand and executed by a principal duly authorized by the vendor to submit bids on behalf of the vendor.

South Panola School District will not accept a catalog quote of many different items that the Vendor sells. We will only consider quotes that address the specific items requested in the bid.

CERTIFICATE OF RESPONSIBILITY

Each Bidder submitting a bid in excess of \$50,000 on public projects must show on his bid and on the face of the envelope containing the paper bid, his Certificate of Responsibility Number, as required by Section 31--3--5 and 31--3--21 (latest edition) Mississippi Code of 1972. If the bid does not exceed the amount of \$50,000 on public projects, a notation stating so must appear on the face of the envelope.

When multiple contractors submit a joint venture bid in excess of \$50,000.00 on public projects, a Joint Venture Certificate of Responsibility Number is required on the bid and face of the envelope. If the Joint Venture Bid does not have a Joint Venture Certificate of Responsibility number, then each member of the Joint Venture must indicate their individual Certificate of Responsibility numbers on the bid and on the face of the envelope.

Each subcontractor whose subcontract exceeds \$50,000 on public projects shall have a Certificate of Responsibility Number, as required by Section 31--3--15 and 31--3--21 (latest version), Mississippi Code.

No bid will be opened, considered or accepted unless the above information is provided as specified. Sufficient evidence that said Certificate of Responsibility has been issued and is in effect at the time of receiving bids must be submitted when required by the South Panola School District. Likewise, it shall be the responsibility of the Prime Contractor to require a Certificate of Responsibility Number from any subcontractor where applicable.

PERFORMANCE AND PAYMENT BONDS

Each Bidder submitting a bid in excess of \$25,000 on public projects must be able to provide a performance bond and a payment bond, as required by Mississippi Code section 31-5-51.

A performance bond payable to, in favor of or for the protection of such public body, as owner, for the work to be done in an amount not less than the amount of the contract, conditioned for the full and faithful performance of the contract.

A performance bond payable to, in favor of or for the protection of such public body, as owner, for the work to be done in an amount not less than the amount of the contract, conditioned for the full and faithful performance of the contract.

VENDOR QUALIFICATIONS

The South Panola School District may make such investigations as deemed necessary to determine the ability of the bidder or subcontractors or suppliers to perform the work, and the bidder shall furnish to the South Panola School District all such information and data for this purpose as the South Panola School District may request. The South Panola School District reserves the right to reject any or all bid(s) if the evidence submitted by or investigation of such Bidder fails to satisfy the South Panola School District that such bidder is properly qualified to carry out the obligations of the contract and/or to complete the work contemplated therein within the time required.

The bidder is specifically advised that any person, firm, or other party to whom it proposes to award a subcontract or purchase order under this contract must be acceptable to the South Panola School District.

The successful vendor (contractor) must have or be certified with the following:

Be able to supply all products and services.

Be an authorized dealer in the State of Mississippi for all products.

Have current liability insurance and workers compensation insurance (please enclose a copy of each with your bid).

BIDDER DISQUALIFICATION

The South Panola School District reserves the right to award the bid to a bidder other than the lowest bidder when, in the judgment of the district administration, it is in the best interest of the district to do so and meets District purchasing rules and regulations. A Bidder may be disqualified for such reasons as:

Bidder's failure to comply with requirements regarding Certificate of Responsibility.

Bidder's failure to sign Bidder's Proposal Form or to otherwise properly complete the Proposal Form and/or Attachments.

Bidder being in litigation with the South Panola School District.

Bidder having defaulted on a previous contract.

Bidder having performed unsatisfactorily on a previous contract, including but not limited to the Bidder's failure to fulfill the warranty obligations of a previous contract with the South Panola School District.

Bidder's failure to include documentation for required certifications and authorizations.

The above is not an all-inclusive list.

COMPLETION VERIFICATION

If during delivery or after the completion of this project the district discovers that the newly delivered components do not meet the specifications as stated in this document or as stated in an alternate proposal, then the vendor will be required to do whatever is necessary to meet the specifications with no additional cost to the South Panola School District.

SPECIFICATIONS AND REQUIREMENTS

General:

Option One - Purchase.

South Panola School District is seeking to purchase Interactive 75" Touch Interactive Displays for every classroom at 6 campuses (addresses listed on page 3).

Option two - Installation.

South Panola School District is also seeking the installation of these 75" Touch Interactive Displays.

Option One: Specifications for Interactive Display Panels:

South Panola School District is looking for Interactive Touch Display Panels with specs equivalent to or better than the below.

At a minimum, interactive display models must be available with 75-inch. Must be a Grade A LCD panel with minimum 50,000 hours (typical) before half brightness. Maximum display brightness must be greater than or equal to 400 cd/m². Display response time must be at a minimum 8ms for the 75 inch. Display viewing angle must be at a minimum 178°. Must feature 4K UHD (ultra-high definition) resolution. Must support 4K UHD 60Hz digital input. Display must include an Intel standard open pluggable specification (OPS) slot with 60W power support. Must use at least 4mm thick fully heat tempered glass. Glass must have a Mohs rating between 6 & 7 and a Pencil rating of greater than or equal to 9H. Must feature a low-friction touch surface. Must include an anti-glare coating. Must have ambient light sensor that automatically adjusts the display's brightness based on the environment. Must allow for the simultaneous connection of two (2) external PCs each with dedicated touch USB. Input selection must be controllable from the display screen using touch, and provide a preview of each connected device. Power, speaker volume, mute, home, screen shade, input select, freeze frame, USB-A, USB-B and HDMI inputs must be accessible without requiring access to the back of the panel. Display must include support for automatic over-the-air (OTA) software & firmware updates. Display must include a built-in wireless module with the following minimum specifications: IEEE 802.11a/b/g/n/ac with 2 × 2 MIMO

(both 2.4 and 5 GHz bands). Display must include Bluetooth 4.2 dual mode. Display must have a network port and be able to support a secondary network device. Display must include a VESA mount (600 x 400). Display must include accessory mounts for a camera and external speakers. Display must include a remote control (incl. batteries) that includes buttons for freeze frame and screen shade functionality. Display must include an infrared sensor. Display must ship with a wall mount bracket kit. Must include at least two (2) 15-watt front-facing integrated speakers. Normal operating power consumption must be no more than: 114W [75-inch model]. Standby power consumption must be less than or equal to 0.5W. Must be ENERGY STAR® for Displays rated. Must include SMART Notebook (or its equivalent) and 1 year of Lumio. Must run SMART Notebook/Notebook (or its equivalent) features natively. Display must have integrated Wi-Fi capabilities (not modular) and Ethernet connectivity options. Must have a minimum of one (1) USB-C port. Must support up to twenty (20) simultaneous interaction points using both Windows and Mac operating systems. Must facilitate auto-input recognition, where users can write with a pen, control applications with a finger and erase with a palm simultaneously without having to switch tools on a menu or toolbar. Must support the simultaneous use of differentiated tools including the ability for multiple users to write with a pen, select with a finger and erase with a palm without interfering with each other. Must include onscreen inking application, allowing access to annotation tools outside of any presentation or whiteboarding software. This application must include SMART Ink or its equivalent. Must include support for the use of simultaneous tools and auto input recognition when using a web-browser, Adobe PDF & presentation software. Must include ability to write into Microsoft Office applications such as Word, Excel and PowerPoint and save annotations in the native file format (e.g. .docx, .xlsx & .pptx). Must allow integration with Adobe Acrobat Reader allowing users to write in, draw in, and erase digital ink directly from PDF files. Must include ability to write with a pen over multiple active web browser tabs and use a finger to switch between tabs and other desktop applications without saving or discarding their annotations. Must include a variety of presentation tools including spotlight, customizable stamps, screen shade, magnifier, shape recognition and handwriting to text conversion. Must support automatic tool recognition in supported Chrome applications (e.g. pens write, fingers select and palm erases). Android-based experience must be based on a minimum Android 8 (Oreo) operating system. Embedded Android system must include at a minimum four (4) GB of RAM and thirty-two (32) GB of storage. Must include the ability to share a whiteboard with in-room and remote participants. Whiteboard must be able to toggle between teacher and student paced lesson delivery. Whiteboard must be integrated with Bing safe search for images and YouTube content. Must include the ability for wireless screen sharing for mobile devices with native support for AirPlay, Google Cast and Miracast, and support for up to four (4) devices being shared simultaneously. Must include the ability for wireless screen sharing for mobile devices (iOS, Android & Chrome OS) with support for up to four (4) devices being shared simultaneously, and touchback support for Windows and Mac laptops. Must include access to App store library with ability to search for and add new apps. Must offer the ability to sign-in to display and access such as customized applications & settings; customized home screen, including background/wallpaper image. Must have the ability to receive content via the internet cloud.

Warranty: All hardware must have a minimum of 1-year manufacturer warranty.

Software and Licenses: Any software that comes with the device or is used by the device for classroom instruction must have a minimum of 3 years licensing after the date of campus installation.

Option two: Installation of Interactive Panels:

SPSD is needing a vendor to move the boxed displays from a central storage location to designated classrooms. The vendor will then be required to remove the equipment from the box and (using the

included wall mount bracket kit) will need to wall mount each unit. The empty box and trash must be disposed of and the vendor must clean up after the installation. SPSPD will provide any/all mounting brackets, bolts, screws and/or other items necessary for the wall mounting of the display. The installing vendor will need to provide tools and labor necessary to install the equipment. Before work begins on any campuses the vendor will inspect the boxed display. If there's any damage to the box prior to the vendor starting the installation - it is the responsibility of SPSPD. After SPSPD and the installing vendor inspect the equipment - any breakage or damage (other than warranty manufacturing defects) will be the responsibility of the vendor to repair or replace. Note: the installing vendor must have a performance bond as specified above and workmans comp. Copies of these documents will be required by the SPSPD finance department prior to any installations.

RIGHT TO REJECT

The South Panola School District reserves the right to accept or reject any and all proposals or sections thereof when the rejection is in the best interest of the school system. The South Panola School District reserves the right to award without further discussion. Therefore, responses should be submitted initially with the most favorable terms the vendor proposes. The South Panola School District reserves the right to reject the proposal of a vendor who has previously failed to perform properly, failure to complete on time previous contracts, or who in the opinion of the South School District Board of Trustees, is not able to adequately perform the contract. The South Panola School District Board of Trustees reserves the right to reject any and all proposals, any part or parts of a proposal, waive any technicalities/informalities, increase or reduce quantities, make modifications or specifications, and award any portion of or the entire contract in a manner that is in the best interest of the South Panola School District. Contracts will be awarded to the vendor submitting the proposal determined to be in the best interests of the South Panola School District.

SELLER RESPONSIBILITIES

Provide SPSPD with New Interactive Displays that meet or exceed the specifications listed in this bid. Coordinate with the IT Department on the arrival / delivery timeline. The vendor must insure delivery of equipment to 6 different campuses locations – special shipping instructions include providing a “lift gate” – because these locations DO NOT HAVE loading docks. Campus locations are listed earlier in this bid.

SPSPD RESPONSIBILITIES

SPSPD IT Department will work with the seller(s) on all aspects of the project. Provide building access to the vendor during normal school hours for the delivery of the equipment. Provide building access to the installing vendor. Verify all equipment meets these bid specs and installation is safe and completed professionally.

Option One: Total of Sale and Delivery of (All Schools) Interactive Panels

Note: Vendor may choose to submit a bid on option one and / or option two. The vendor is not required to submit a bid for both. If not bidding on an option please put N/A for that option.

CLEVERTOUCH

Why Clevertouch?

1 Multi award winning touchscreen manufacturer

The only touchscreen manufacturer to have won top industry recognised accolades.

2018

InAVation Awards (EMEA audio visual event) – Pro Series wins Collaboration product of the Year over finalists including Google Jamboard, Cisco Spark Board and MicroSoft Surface Hub. This category was voted for by the industry and end users. (www.inavationawards.com).

AV News Awards - Plus Series collects Presentation Innovation of the Year over finalists including Promethean, SMART, Avocor and Prowise.

AV Awards (largest global audio visual event judged by end users – www.avawards.com).

2017

Plus Series wins Interactive Screen of the Year over these finalists Jamboard, Surface Hub, Prowise and Avocor).

2016

V Series wins Interactive Screen of the Year.

2015

Clevertouch wins Manufacturer of the Year over Crestron, Samsung and Kramer to name but a few of the finalists (voted for by end users and the industry).

No other touchscreen manufacturer has won three or even any AV Award, InAVation or AV News Award.

2 First to market with touchscreen tech in 2009

First shown in 2009, Clevertouch is a trusted supplier and number one touchscreen provider with 25% market share.

3 Ranges to suit all vertical sectors

We don't believe that one screen suits all market sectors. Our ranges are designed for maximum impact, user adoption and a price to suit all budgets – Pro Series (for Enterprise and HE/FE), Plus Series (Education) and V Series (Education or Enterprise).

4 Remote management using our MDM system

The ability to remotely manage all your screens from your IT helpdesk or a single computer. Run diagnostics, shutdown, wipe and adjust settings without going to each screen.

5 Works independently from the network and you can create your own hot spot

With security issues on the rise, your Clevertouch has the ability to sit off the network and create its own hot spot for your guests and staff.

6 Open platform to support all BYOD

It's crucial to offer colleagues and guests the ability to share and receive content. Using your Clevertouch, connect any device to your screen knowing that your screen is sat off the network.

7 Clevershare 2.0

Share content of up to four devices to the screen simultaneously using Clevershare App or a combination with our Clevershare dongle. With touch capabilities in both directions, all the content can be shared back to a maximum of 32 devices.

Create. Collaborate. Inspire.

CLEVERTOUCH

8 Collaborate in and out of room and share content over video calls using Mosaic

Standardise every meeting room with Clevertouch for an easy to use complete in and out of room collaboration experience. Using Mosaic software (included with all Pro Series), you can make video calls, share and annotate over content in multiple locations.

9 Never miss the latest edition of Clevertouch with Over-the-Air updates

Never miss the latest version of Clevertouch with our free to access firmware updates.

10 Dual platform for Windows or Android use

You decide how to use your Clevertouch with a simple one touch process to switch you between PC or Android. Your Clevertouch will run in your desired mode and you have the ability to lock down and switch off either modes.

11 Clever Message – Send messages to all or individual screens

From your IT Helpdesk or any PC computer, send a message to all your screens or an individual screen. Send emergency messages, greetings or a reminder of the booked meeting times.

12 Smart Personalised Account Profile – NFC

Using our NFC system – walk up to any Clevertouch screen in your portfolio and instantly access your settings and content. Once finished, the screen will shut down and wipe the settings ready for the next user.

13 Enhanced stylus capabilities

Clevertouch comes with enhanced stylus capabilities so you can assign two colours on our High Precision Touch stylus.

14 Lock settings and monitor your screens to enhance security

Make your Clevertouch screen/s part of your business, lock settings to suit your business or education establishments needs to enhance security.

15 Super Glide Surface

Our new super smooth glass is now available on all our new Plus and Pro Series generations giving the same great anti-glare and toughen glass experience.

16 Software is free for the life of the screen

Everything is included in the price of your Clevertouch. No subscription fees or hidden costs. Software will always be free for the life of the screen.

17 LUX interface

Inspired by users of Clevertouch, LUX gives you a seamless and easy to use familiar interface on every screen for increase of user adoption.

18 Lynx 5.0

No need to recreate files, simply convert them using our LYNX 5.0 software.

19 Cleverstore 2.0 – Free app store

Plus Series has exclusive free access to Cleverstore, containing hundreds of apps to meet your classroom's needs. Filter by age, subject and language to engage your students in immersive learning.

EVALUATION

The South Panola School District Board of Trustees will award a contract based on the vendor submission that best meets the needs of the school system with regard to future growth, bid specifications, and not necessarily the lowest price even though the price will be the priority factor. The following factors will be considered when evaluating responses:

- 55% Price of goods and services.
- 20% Transition / Implementation / Timeline schedule.
- 10% Preference will be given for prior positive experience with the Vendor
- 10% Company Provides all Services (No sub-contractors)
- 5 % Preference will be given to Mississippi based vendors

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
- I am a U.S. citizen or other U.S. person (defined below); and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)

- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, later.
